## To the Christian Reader.

He Spirit of God in the sacred History, hath laid downe such helps, as are the light and life of all Nations originals. In the the circumstances of Person, Time, & Place, are the chief; else do we wander as without a guide: and of these the Person is principall. Genealogies then drawne from them, from whom all are descended, and by Gods owne warrant recorded unto vs, must moue a speciall reuerence that they are holy, and farre from those other against which S. Paul writeth. Amongst whose manifold vses, this is the chiefest, that by them is proued how Christ was made very man. And therefore in seuerall Tables they are heere exhibited, euen from their first root, and so continued through their spreading branches, so farre as the Scripture giueth them sap. In the reading whereof, let these few directions be thy guides.

1 Such descents as hold on from the Parents to their Children, without interruption are very plaine by their double lines, which runne from rundle to rundle.

2 Those whose Parents are not certainly knowne, but are named of their Country, City, or Tribe, are ioyned each vnder other, with this figure here in the margent.

3 And likewise such as are set in ranke side by side, and distinguished by this marginall marke, are not to be reputed Brethren, but some other persons of note, of that descent where they are so inserted.

4 The names of Nations and People, (as likewise sometimes of Cities and other places of note) we haue not incompassed in rundles as the rest, but in Compartiments, and different letters betwixt direct lines, that so they might bee knowne from particular persons, and the Names next vnder them, are not inserted as certainly thence descended, but as eminent Persons among them.

5 And where of necessity wee are to breake off the succession, to be continued in some other page, that doe we at some principall Persons: as at the flood with Noahs sonnes; at the Promise with Terah and Abraham, &c. So that euer the Man at which we breake off, is againe set in the first place of some ensuing page, where his issue is continued, though many times whole leaues fall betwixt them; which are supplied with other collaterals: such is from Abraham, pag. 3 vnto his wiues and seede. page 6. and 7. &c.

6. The lineage of our blessed Sauour (which is our principall scope) is knowne by a Chaine-like traile, continued from Adam to Sem. p. 1. and thence to Terah and Abraham, pag. 3. &c. Solikewise from Dauid, pag. 22. to his sonnes, Salomon and Nathan, page

33. and lastly to our Sauours parents, pag. 34. linked together (as other marriages heere are) by the sculpture of an hand in hand. Both descended from<sup>a</sup> Zorobabel, as the holy Euan-

gelists haue recorded: from Dauid, Iudah, and Abraham, as<sup>b</sup> Moses and the Prophets of a<sup>c</sup> Virgine, her name Mary, and she of<sup>d</sup> Beth-lehem, the daughter of Eli, of the house

of Zorobabel, and Tribe of Iudah. In all which our Christ is manifestly designed, and by these Iewes both acknowledged to haue bene of the<sup>e</sup> bloud-royall, and also recorded in the

number of the Priests, in their publike Register at Ierusalem, by this title, IESVS THE

SONNE OF THE LIVING GOD, AND OF THE VIRGINE MARY. Thus is he Dauids sonne, and Abrahams Heire, in whom all the kindreds of the earth are blessed,

being the very image of the inuisible God, & the brightnes of the glory, and the ingra-

uen forme of his Person, in whom dwelleth the fulnesse of the God-head

bodily, and vnto whom bee ascribed all glory, <sup>h</sup> praise, wise-

dome, thanks, power and might for

euermore, Amen.

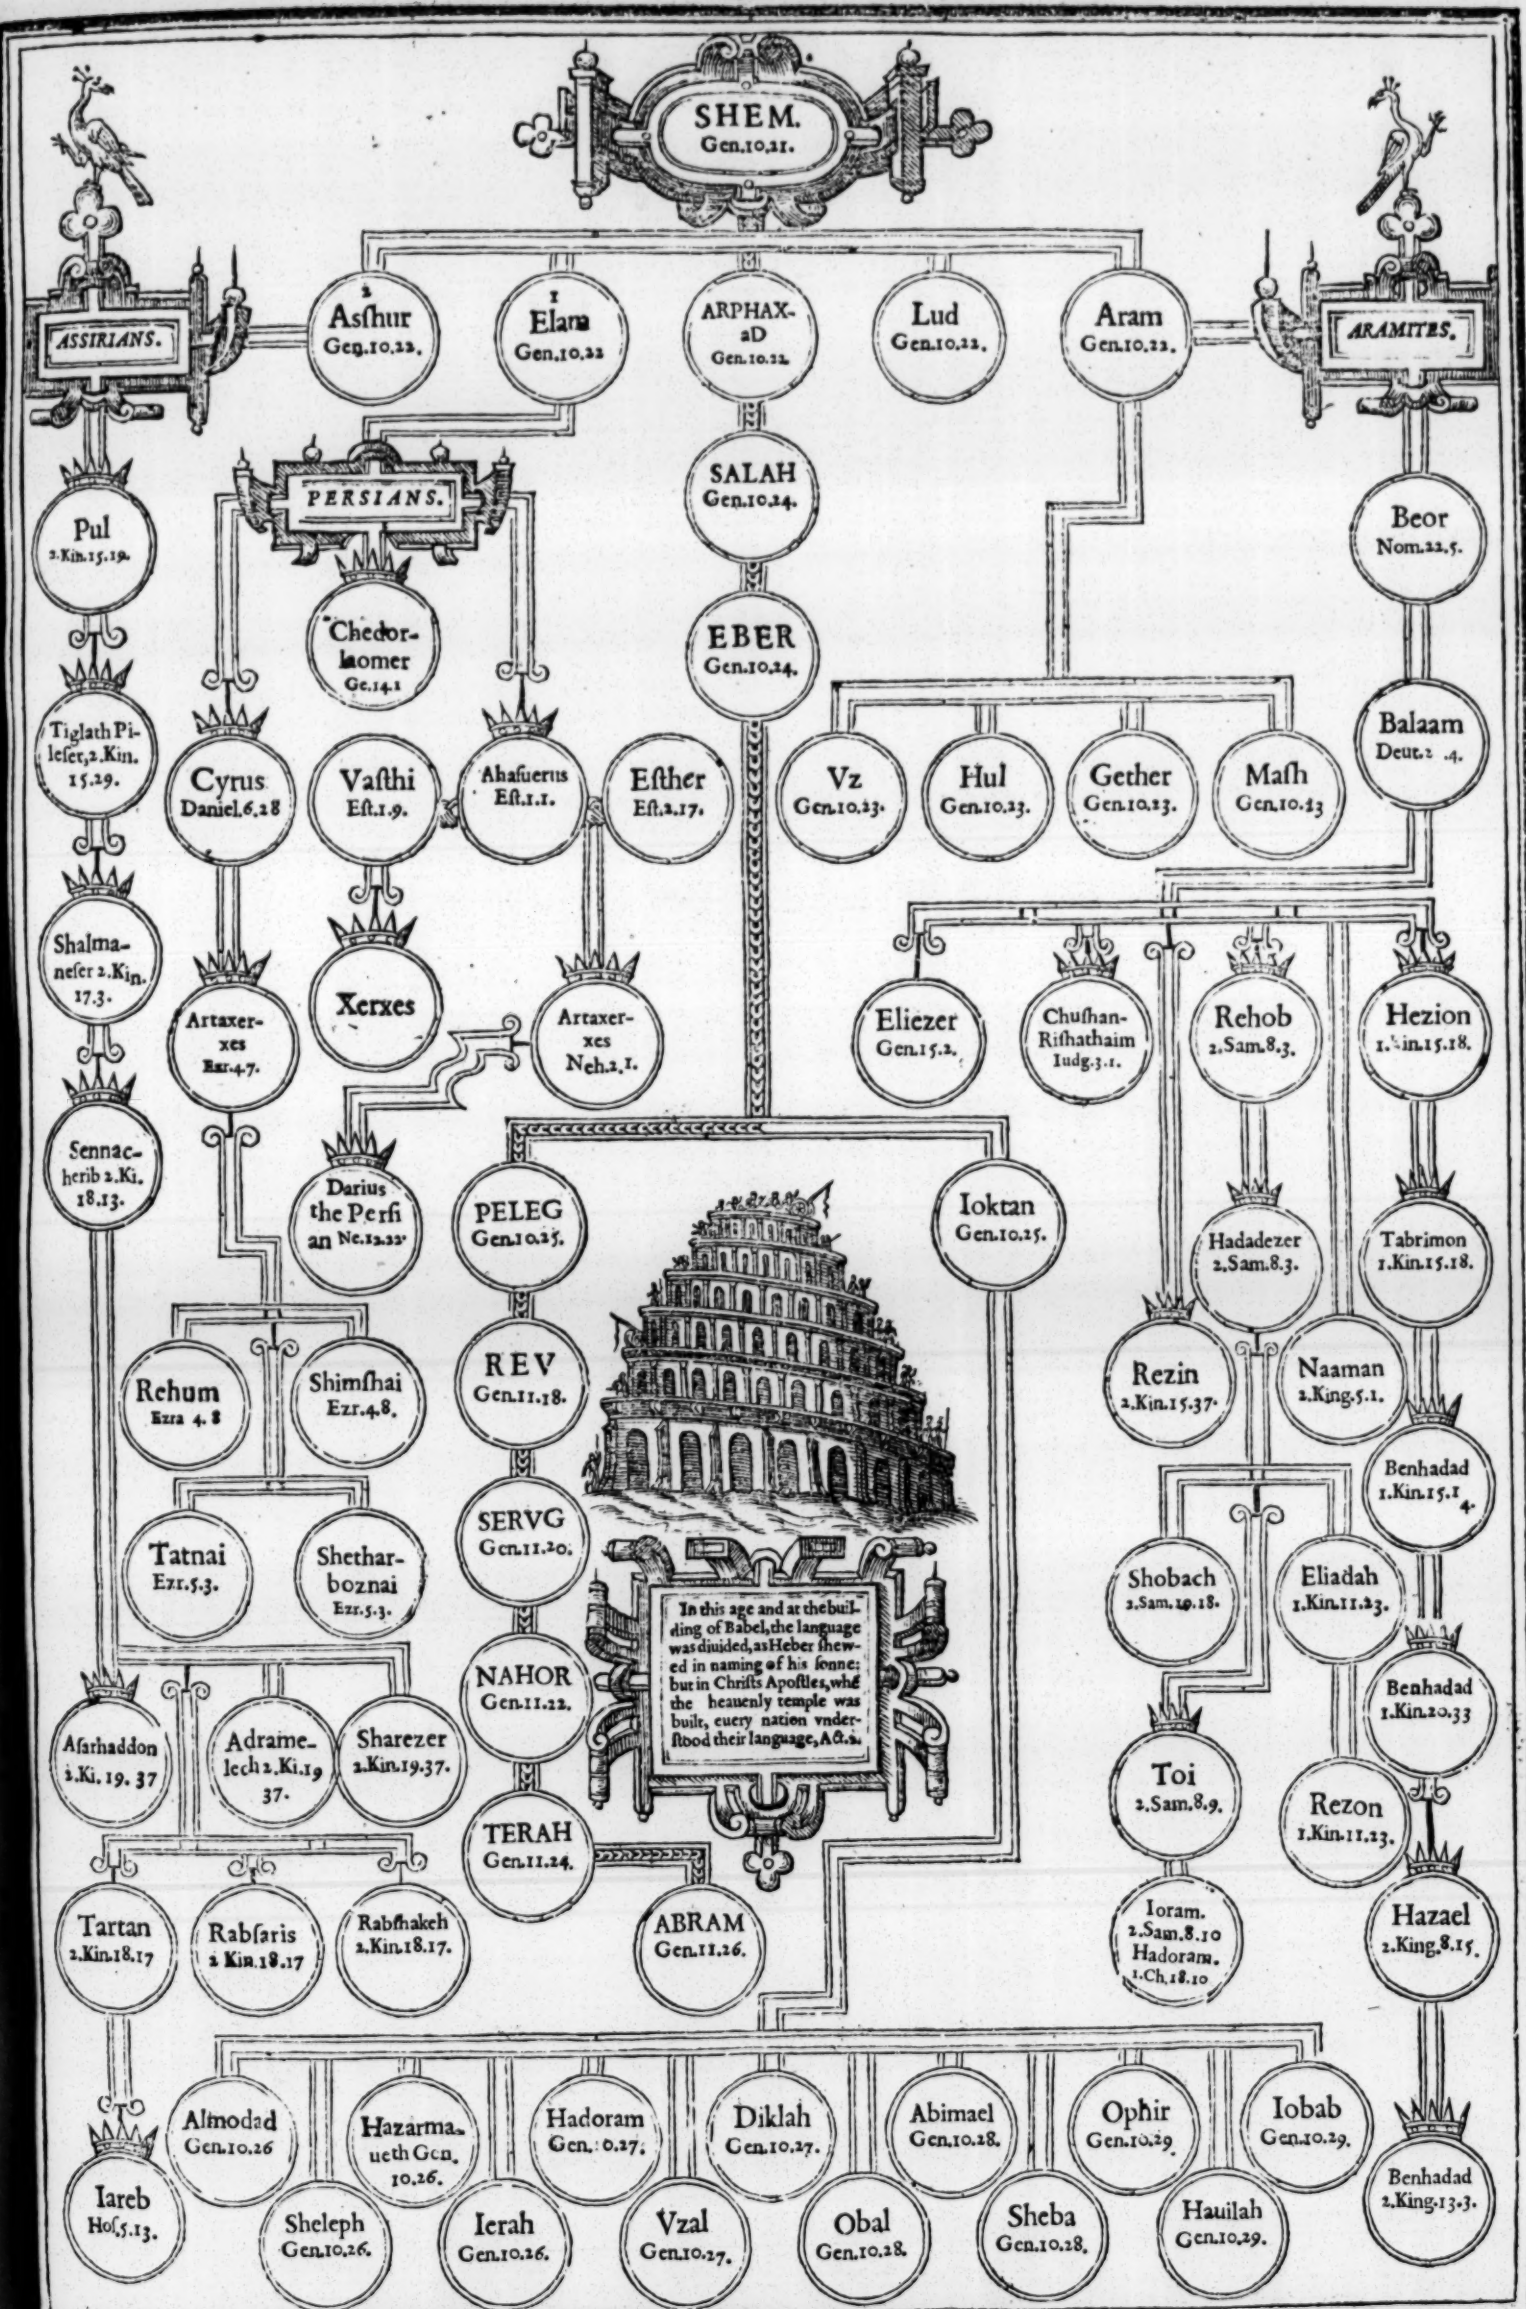

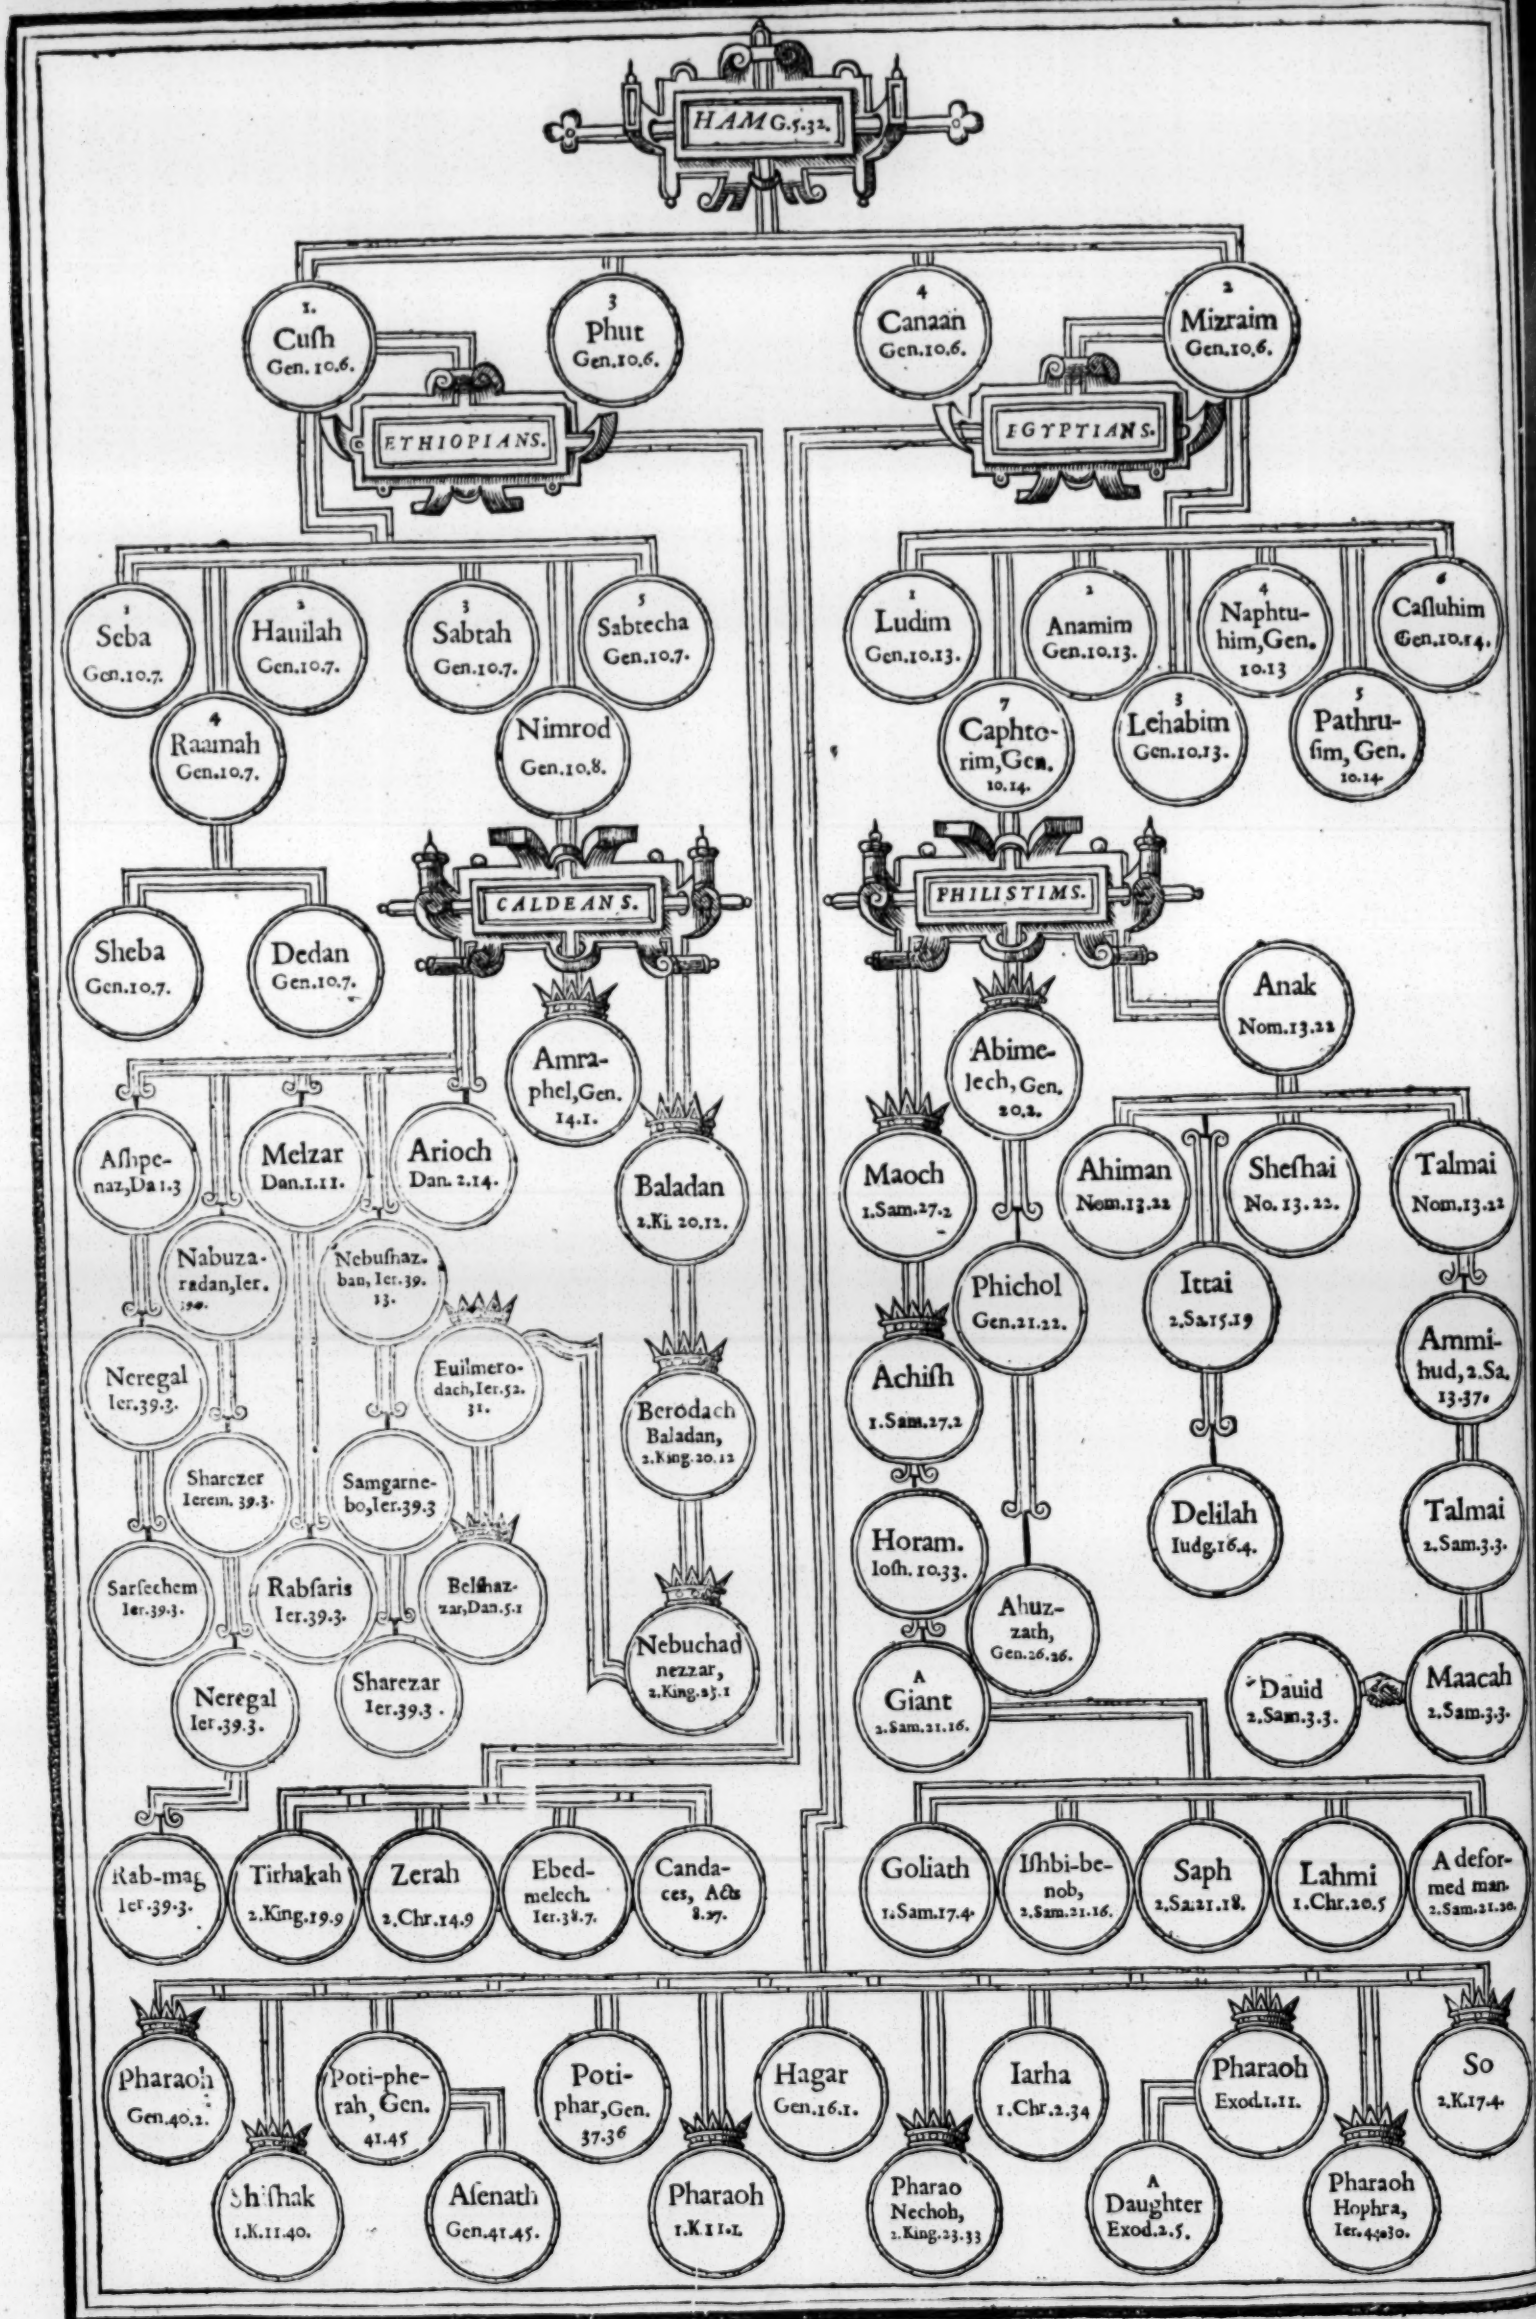

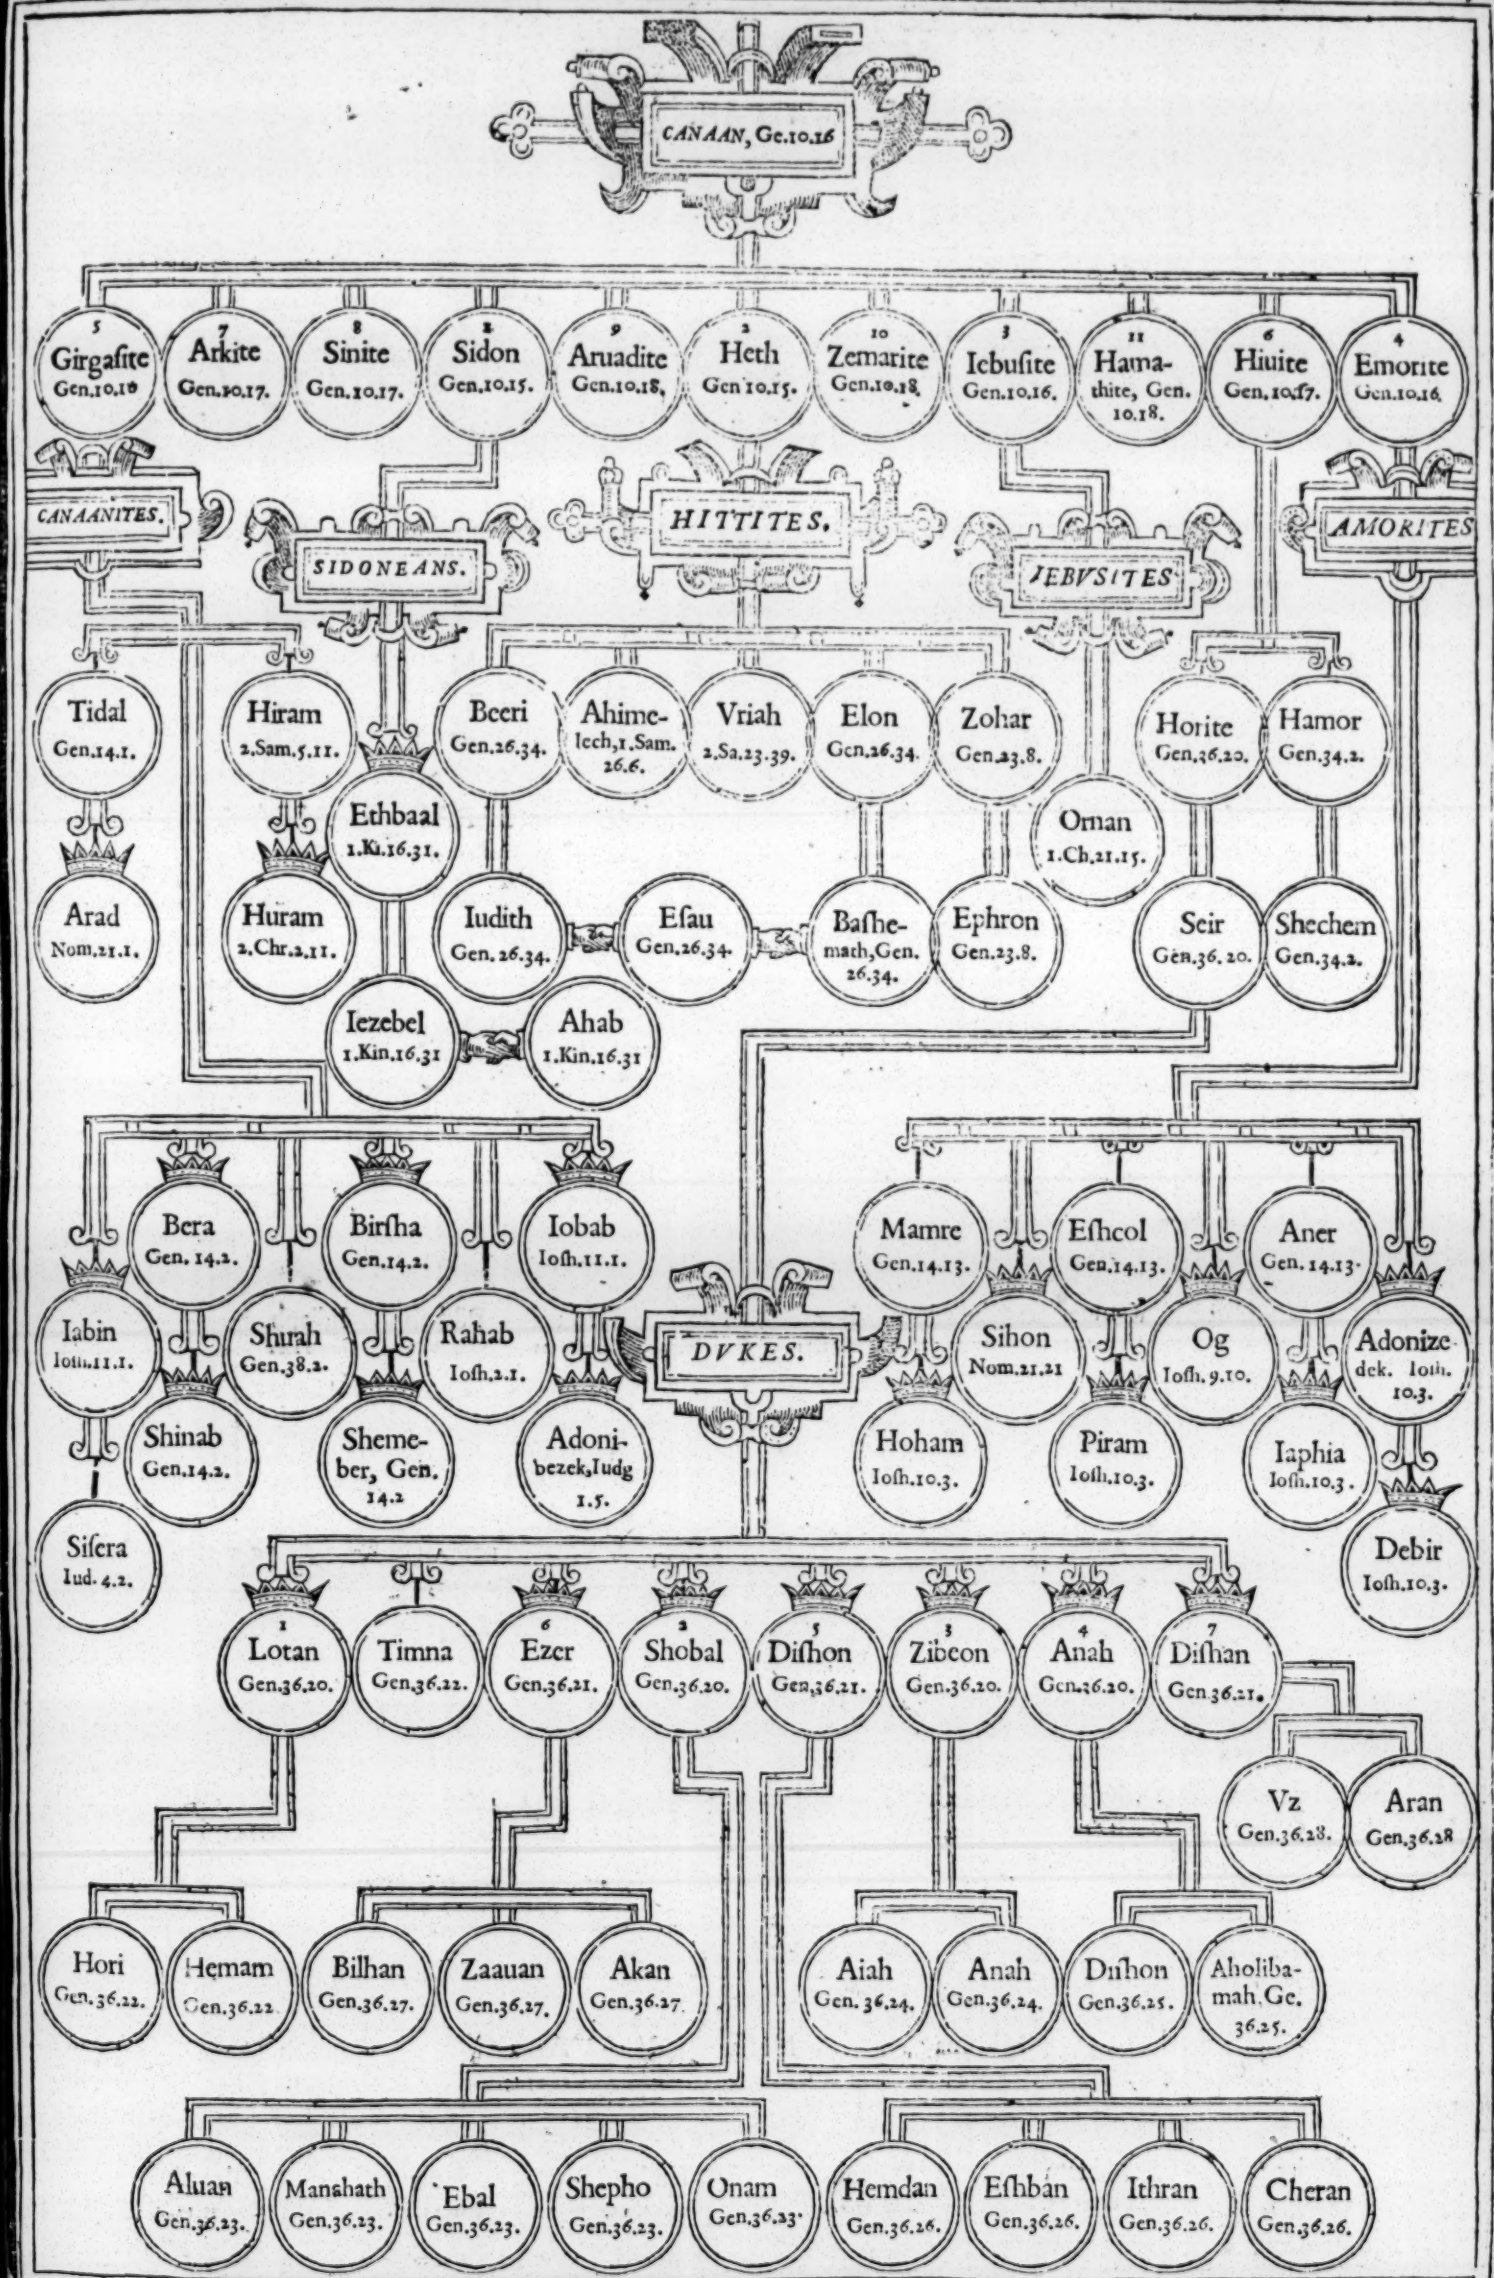

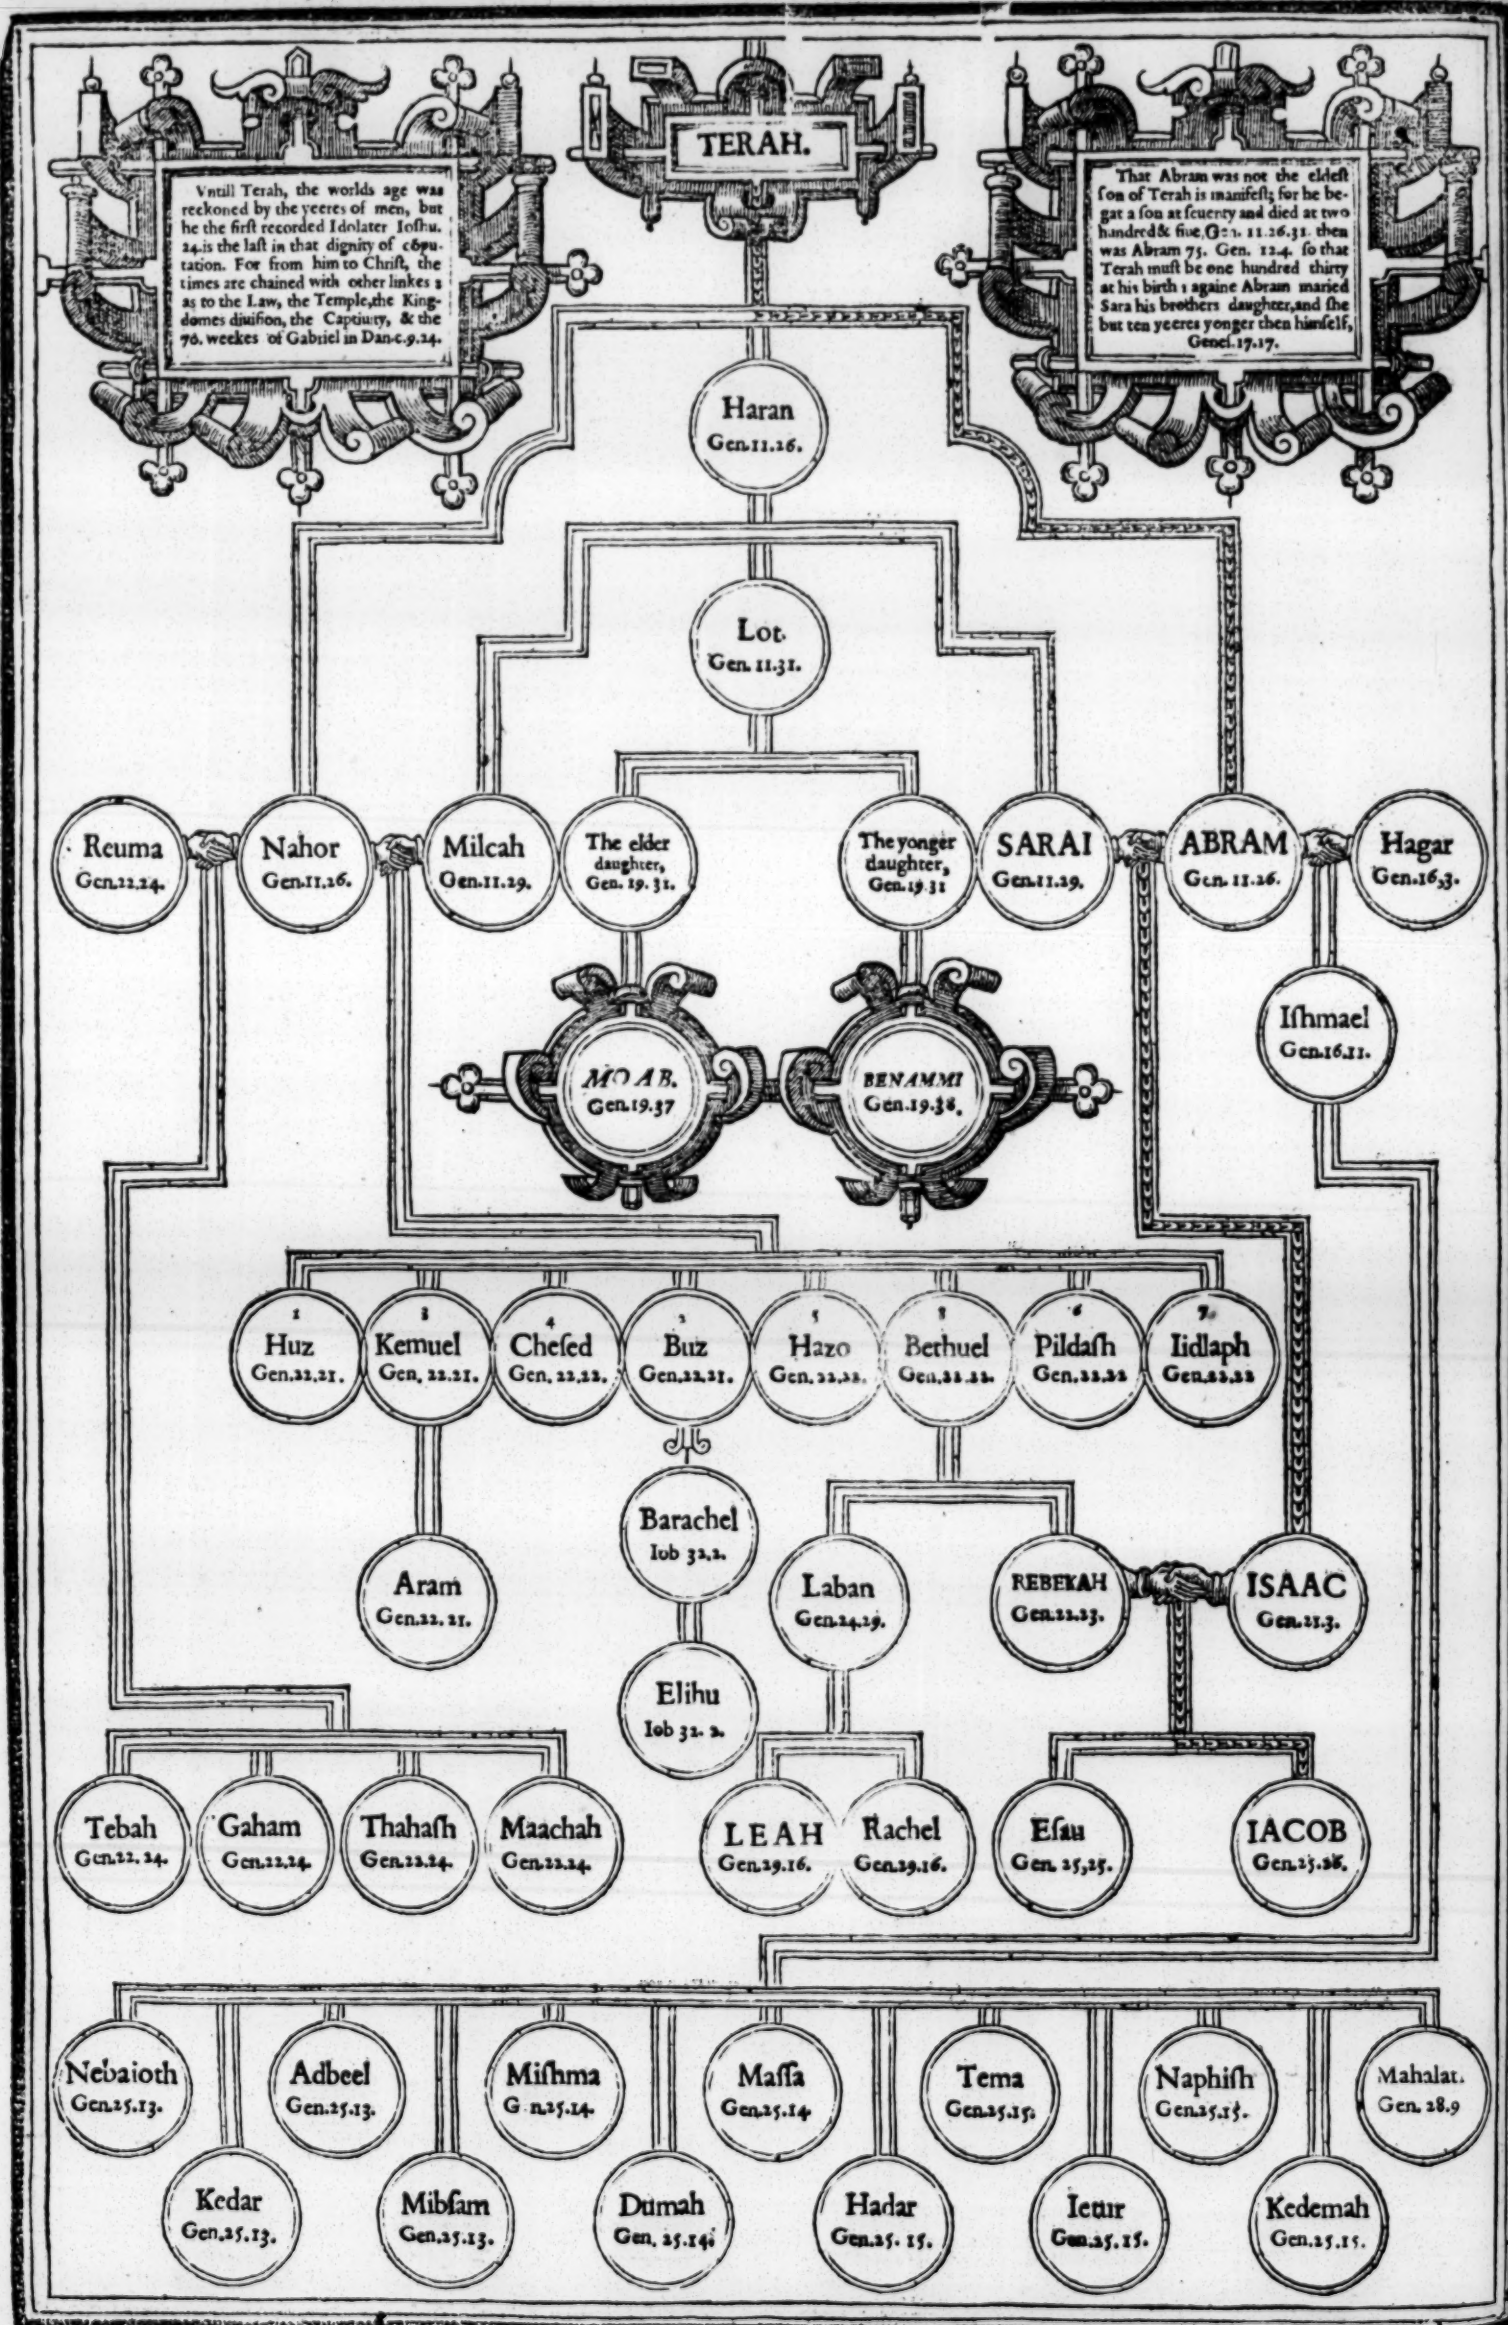

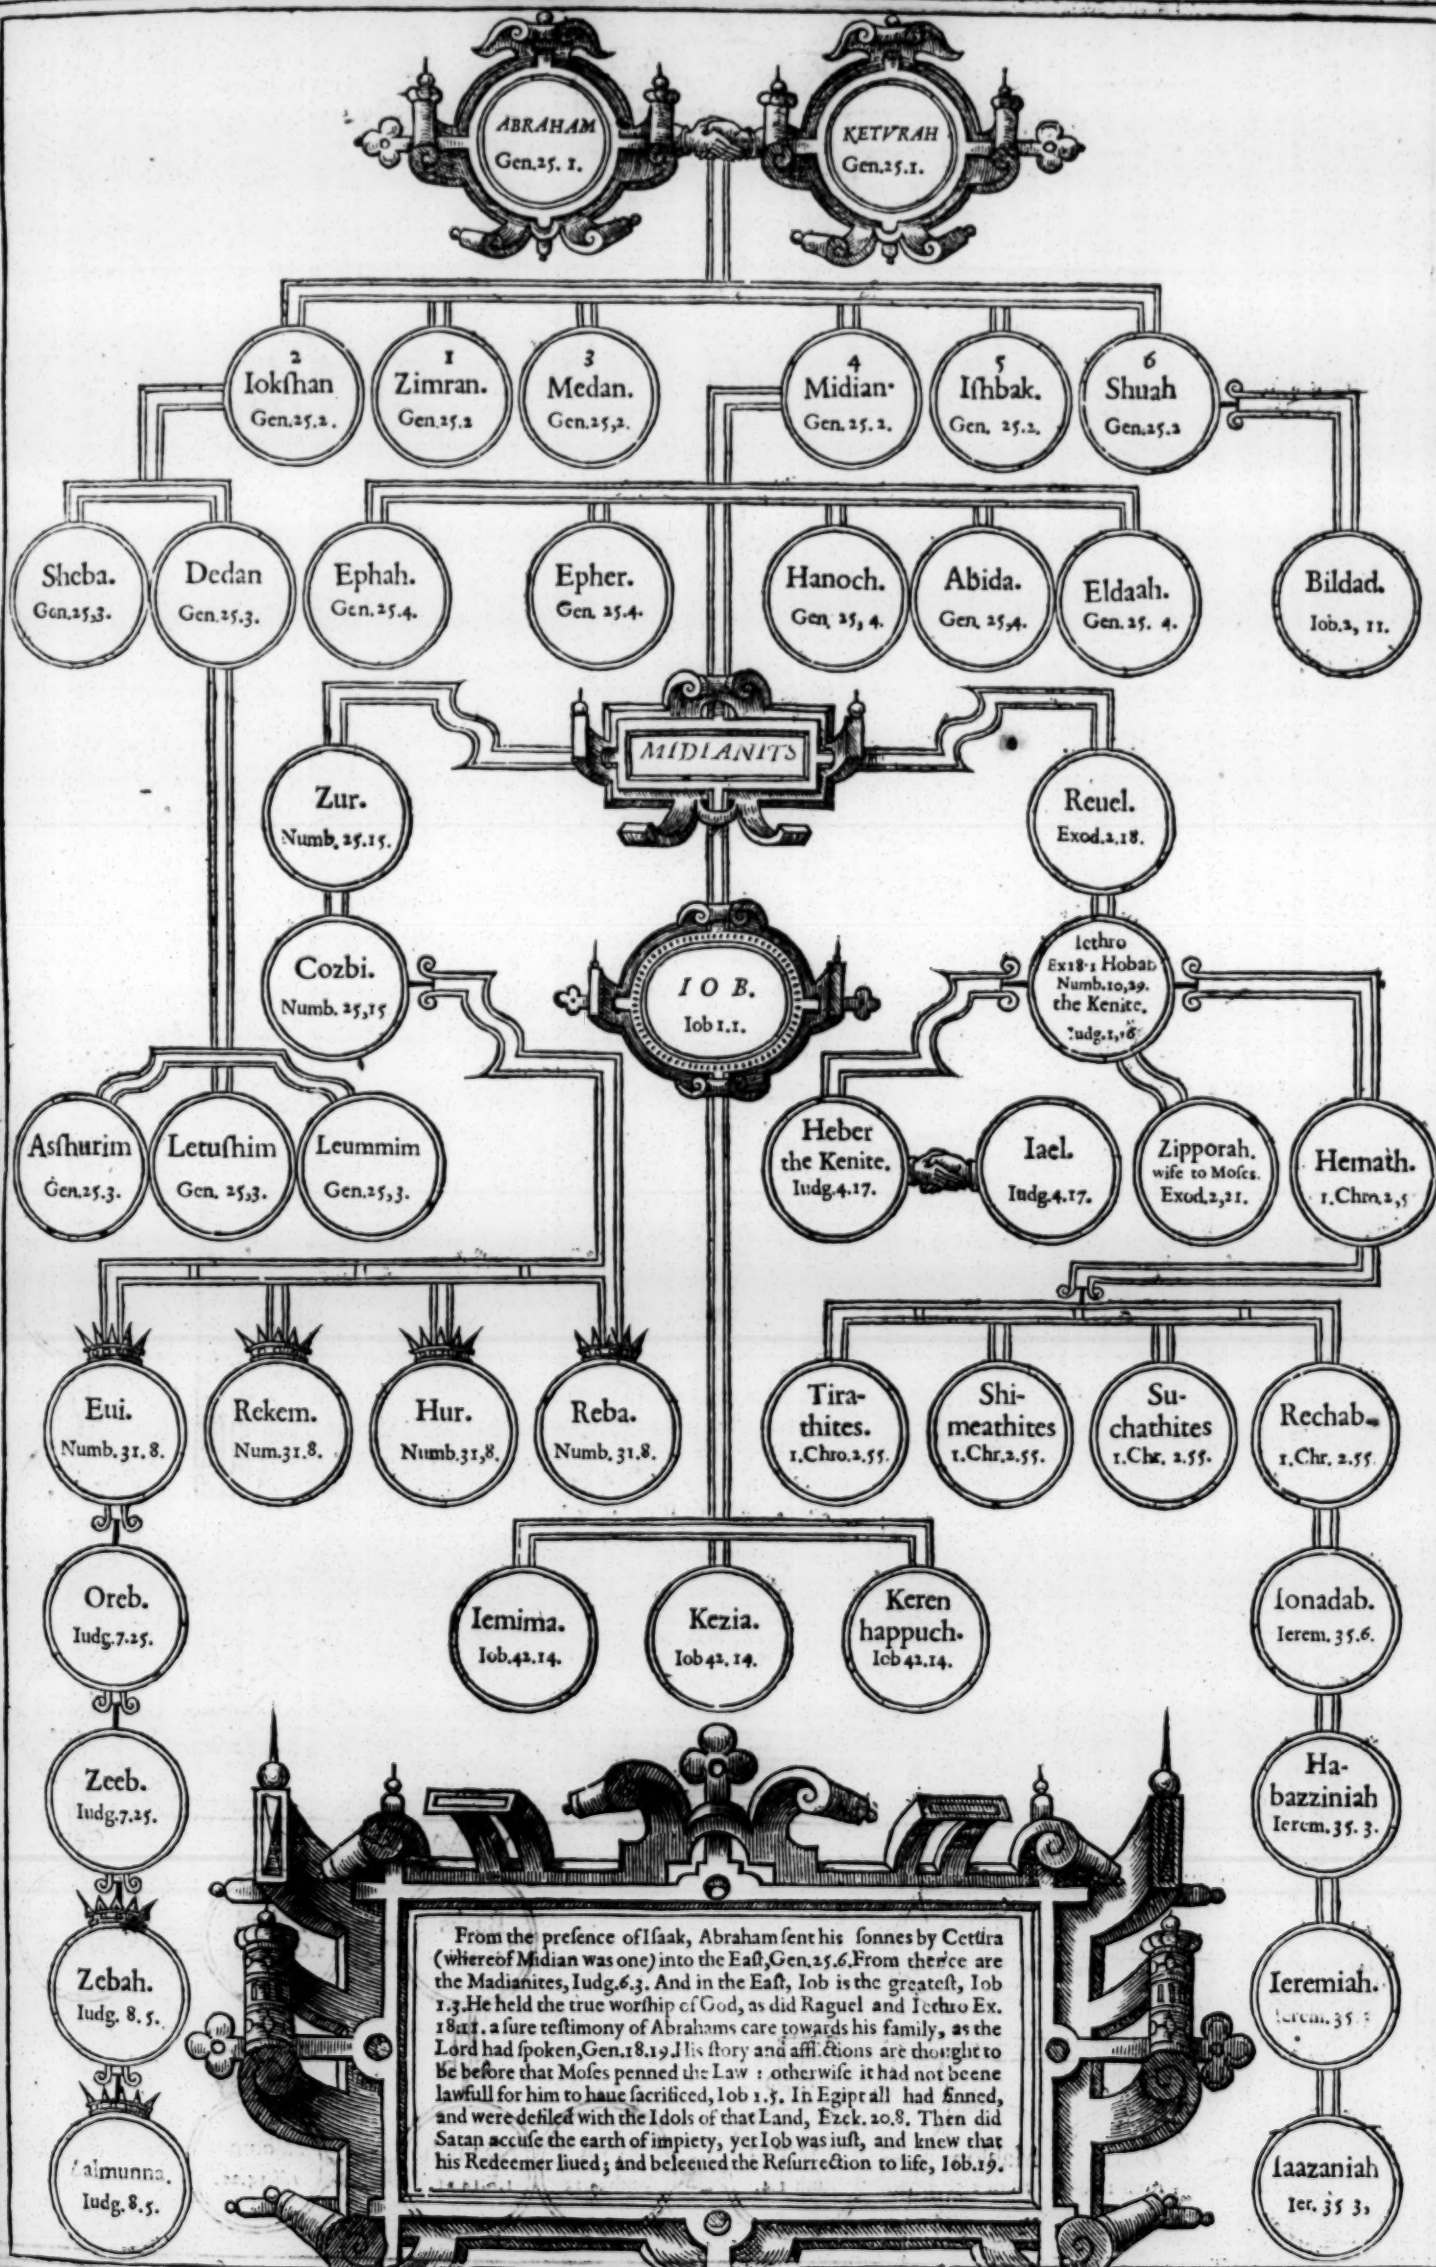

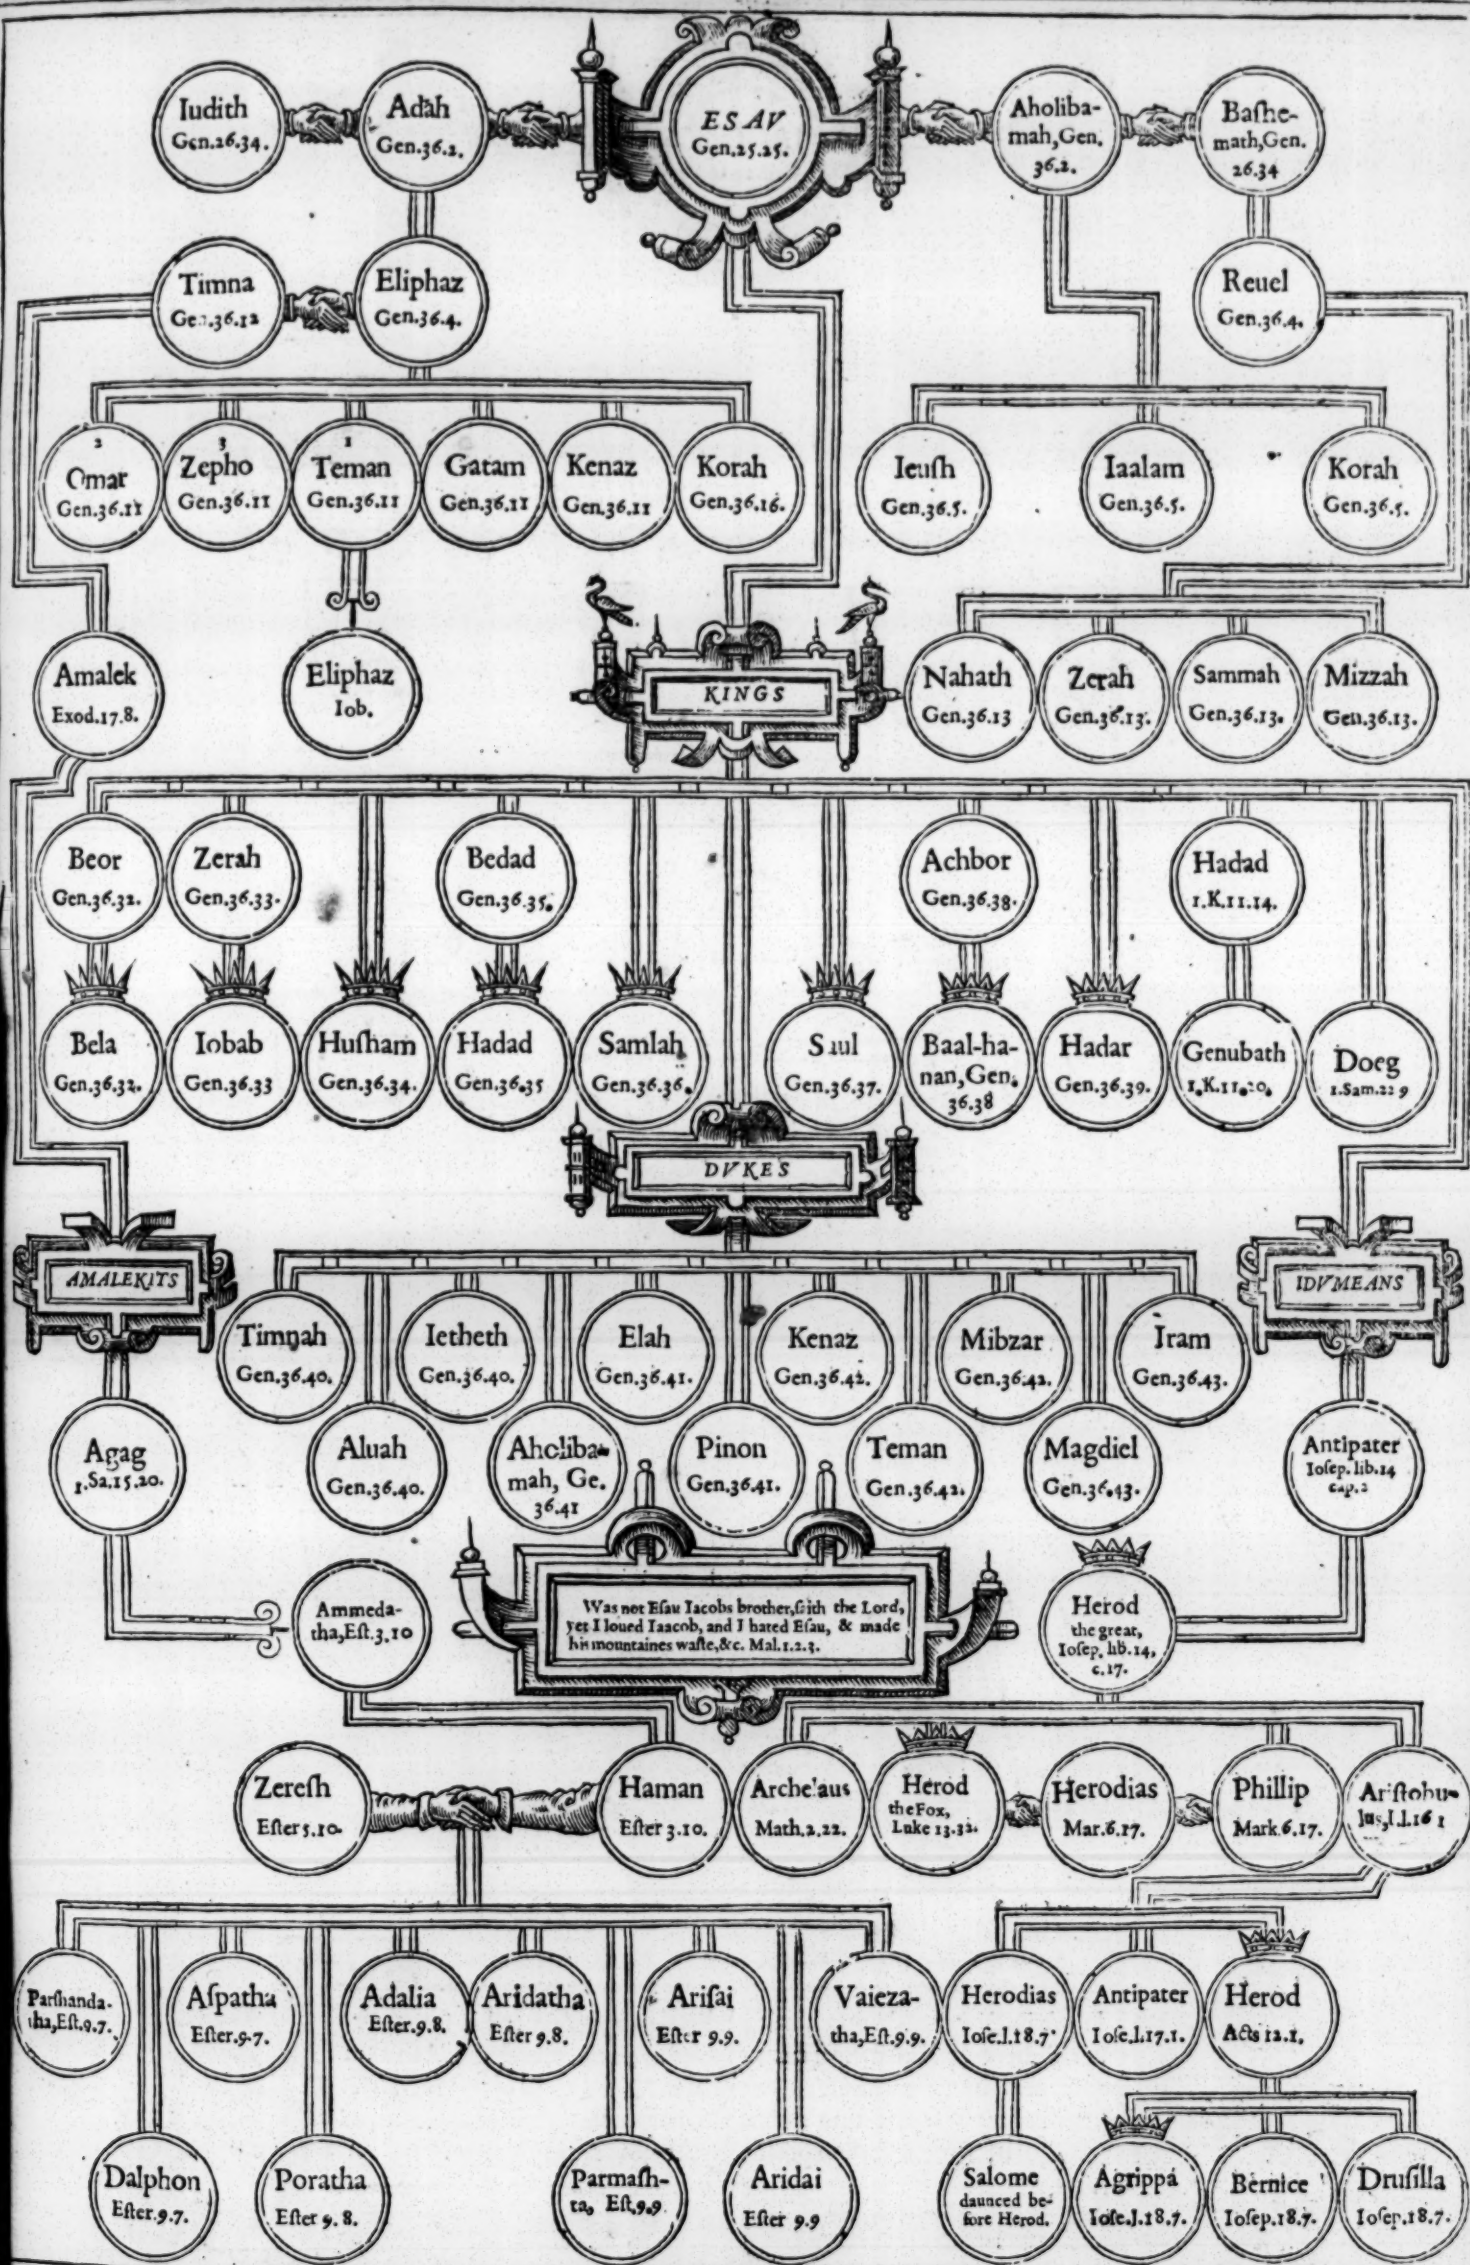

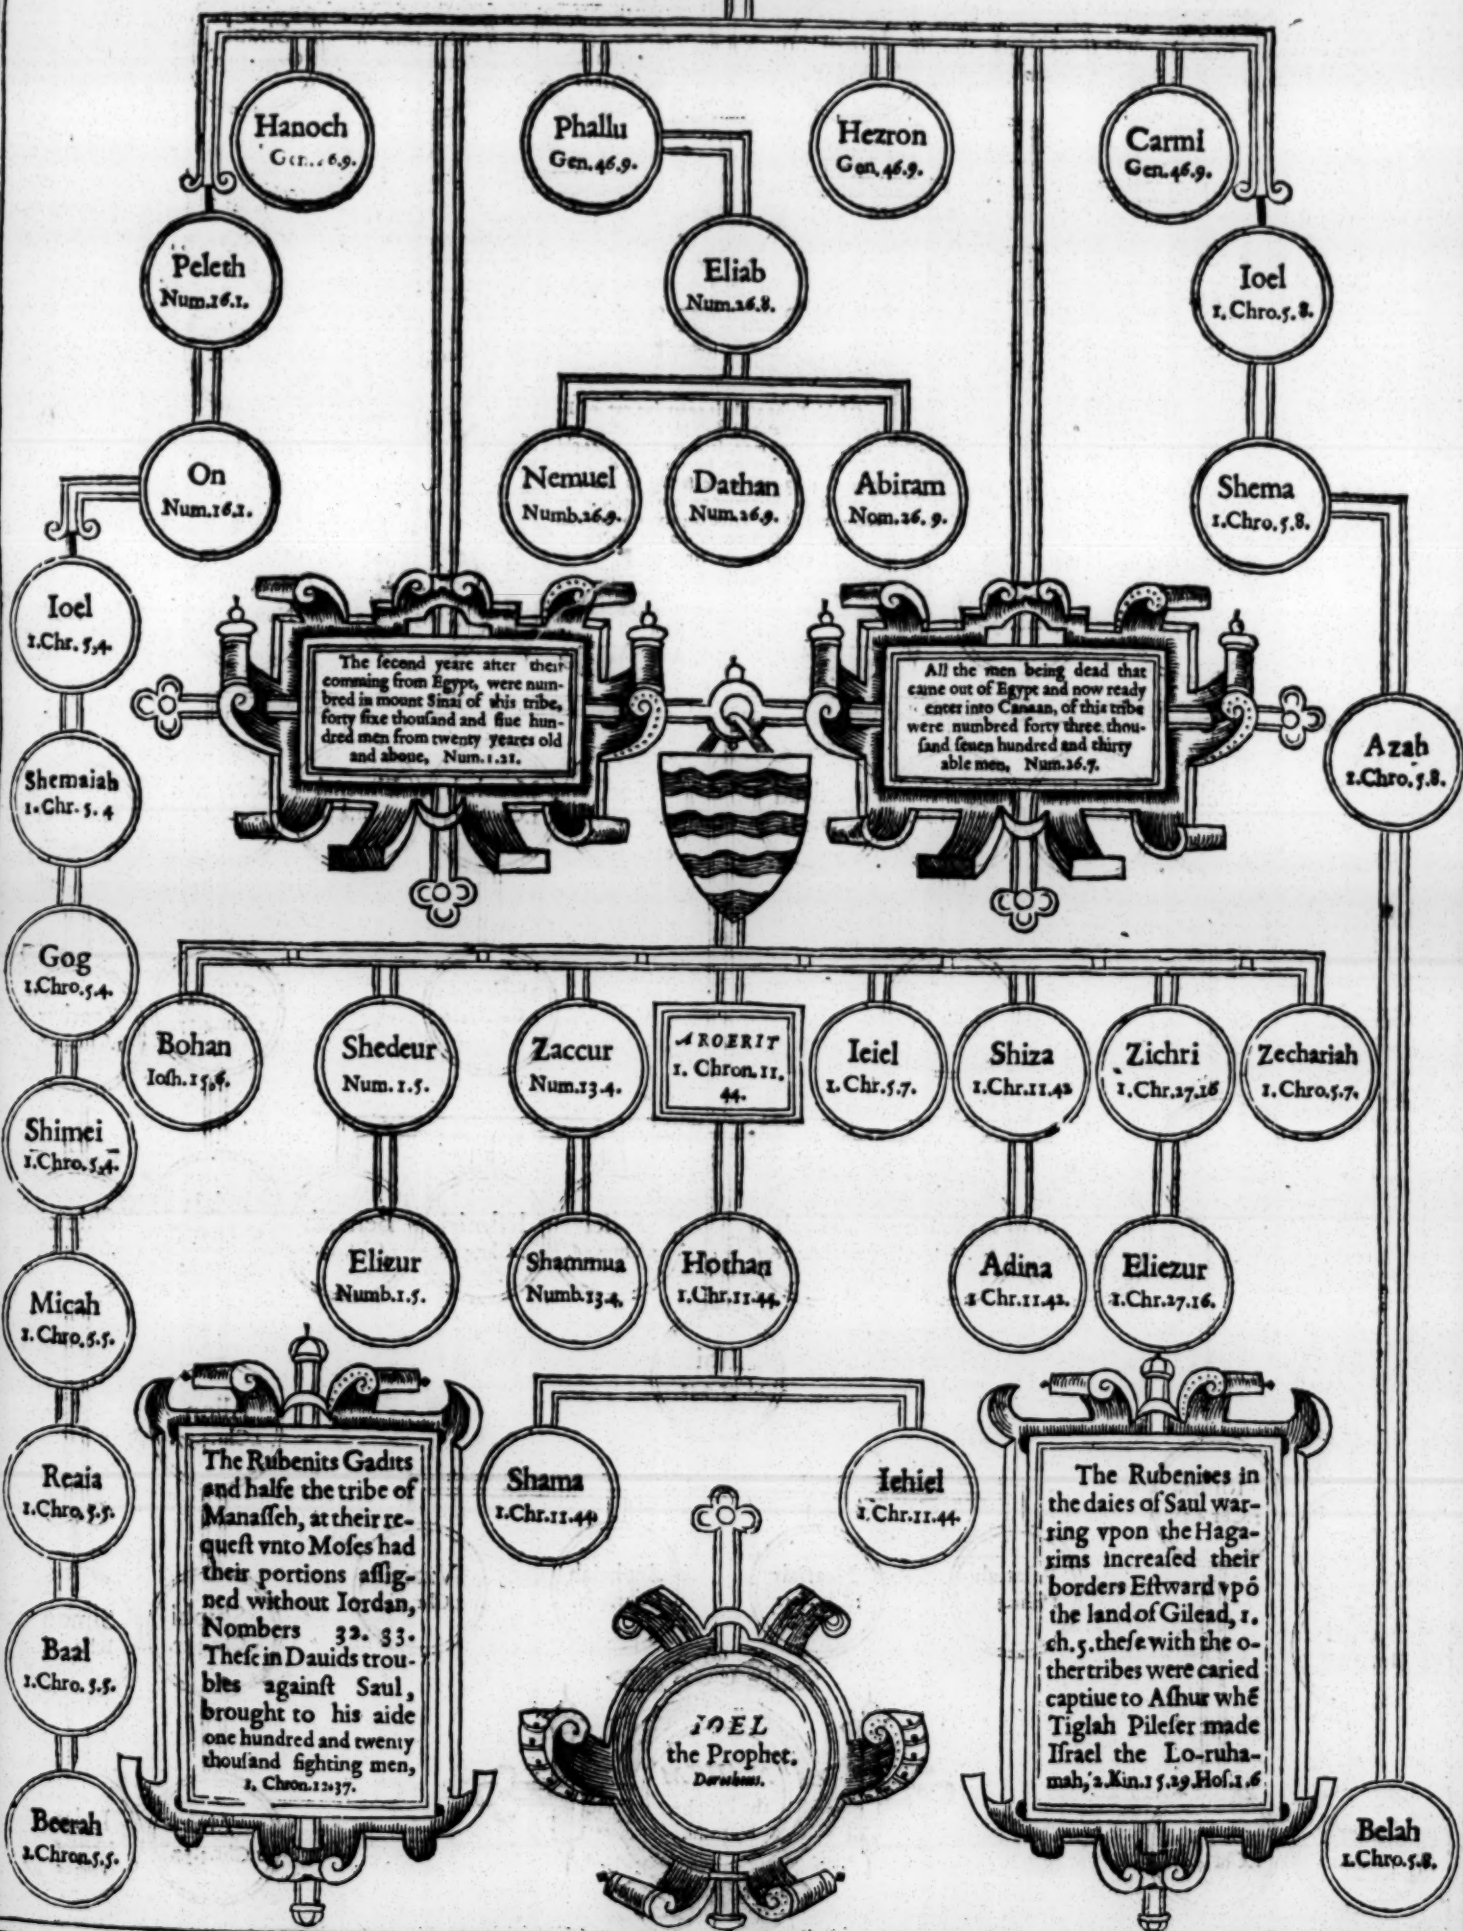

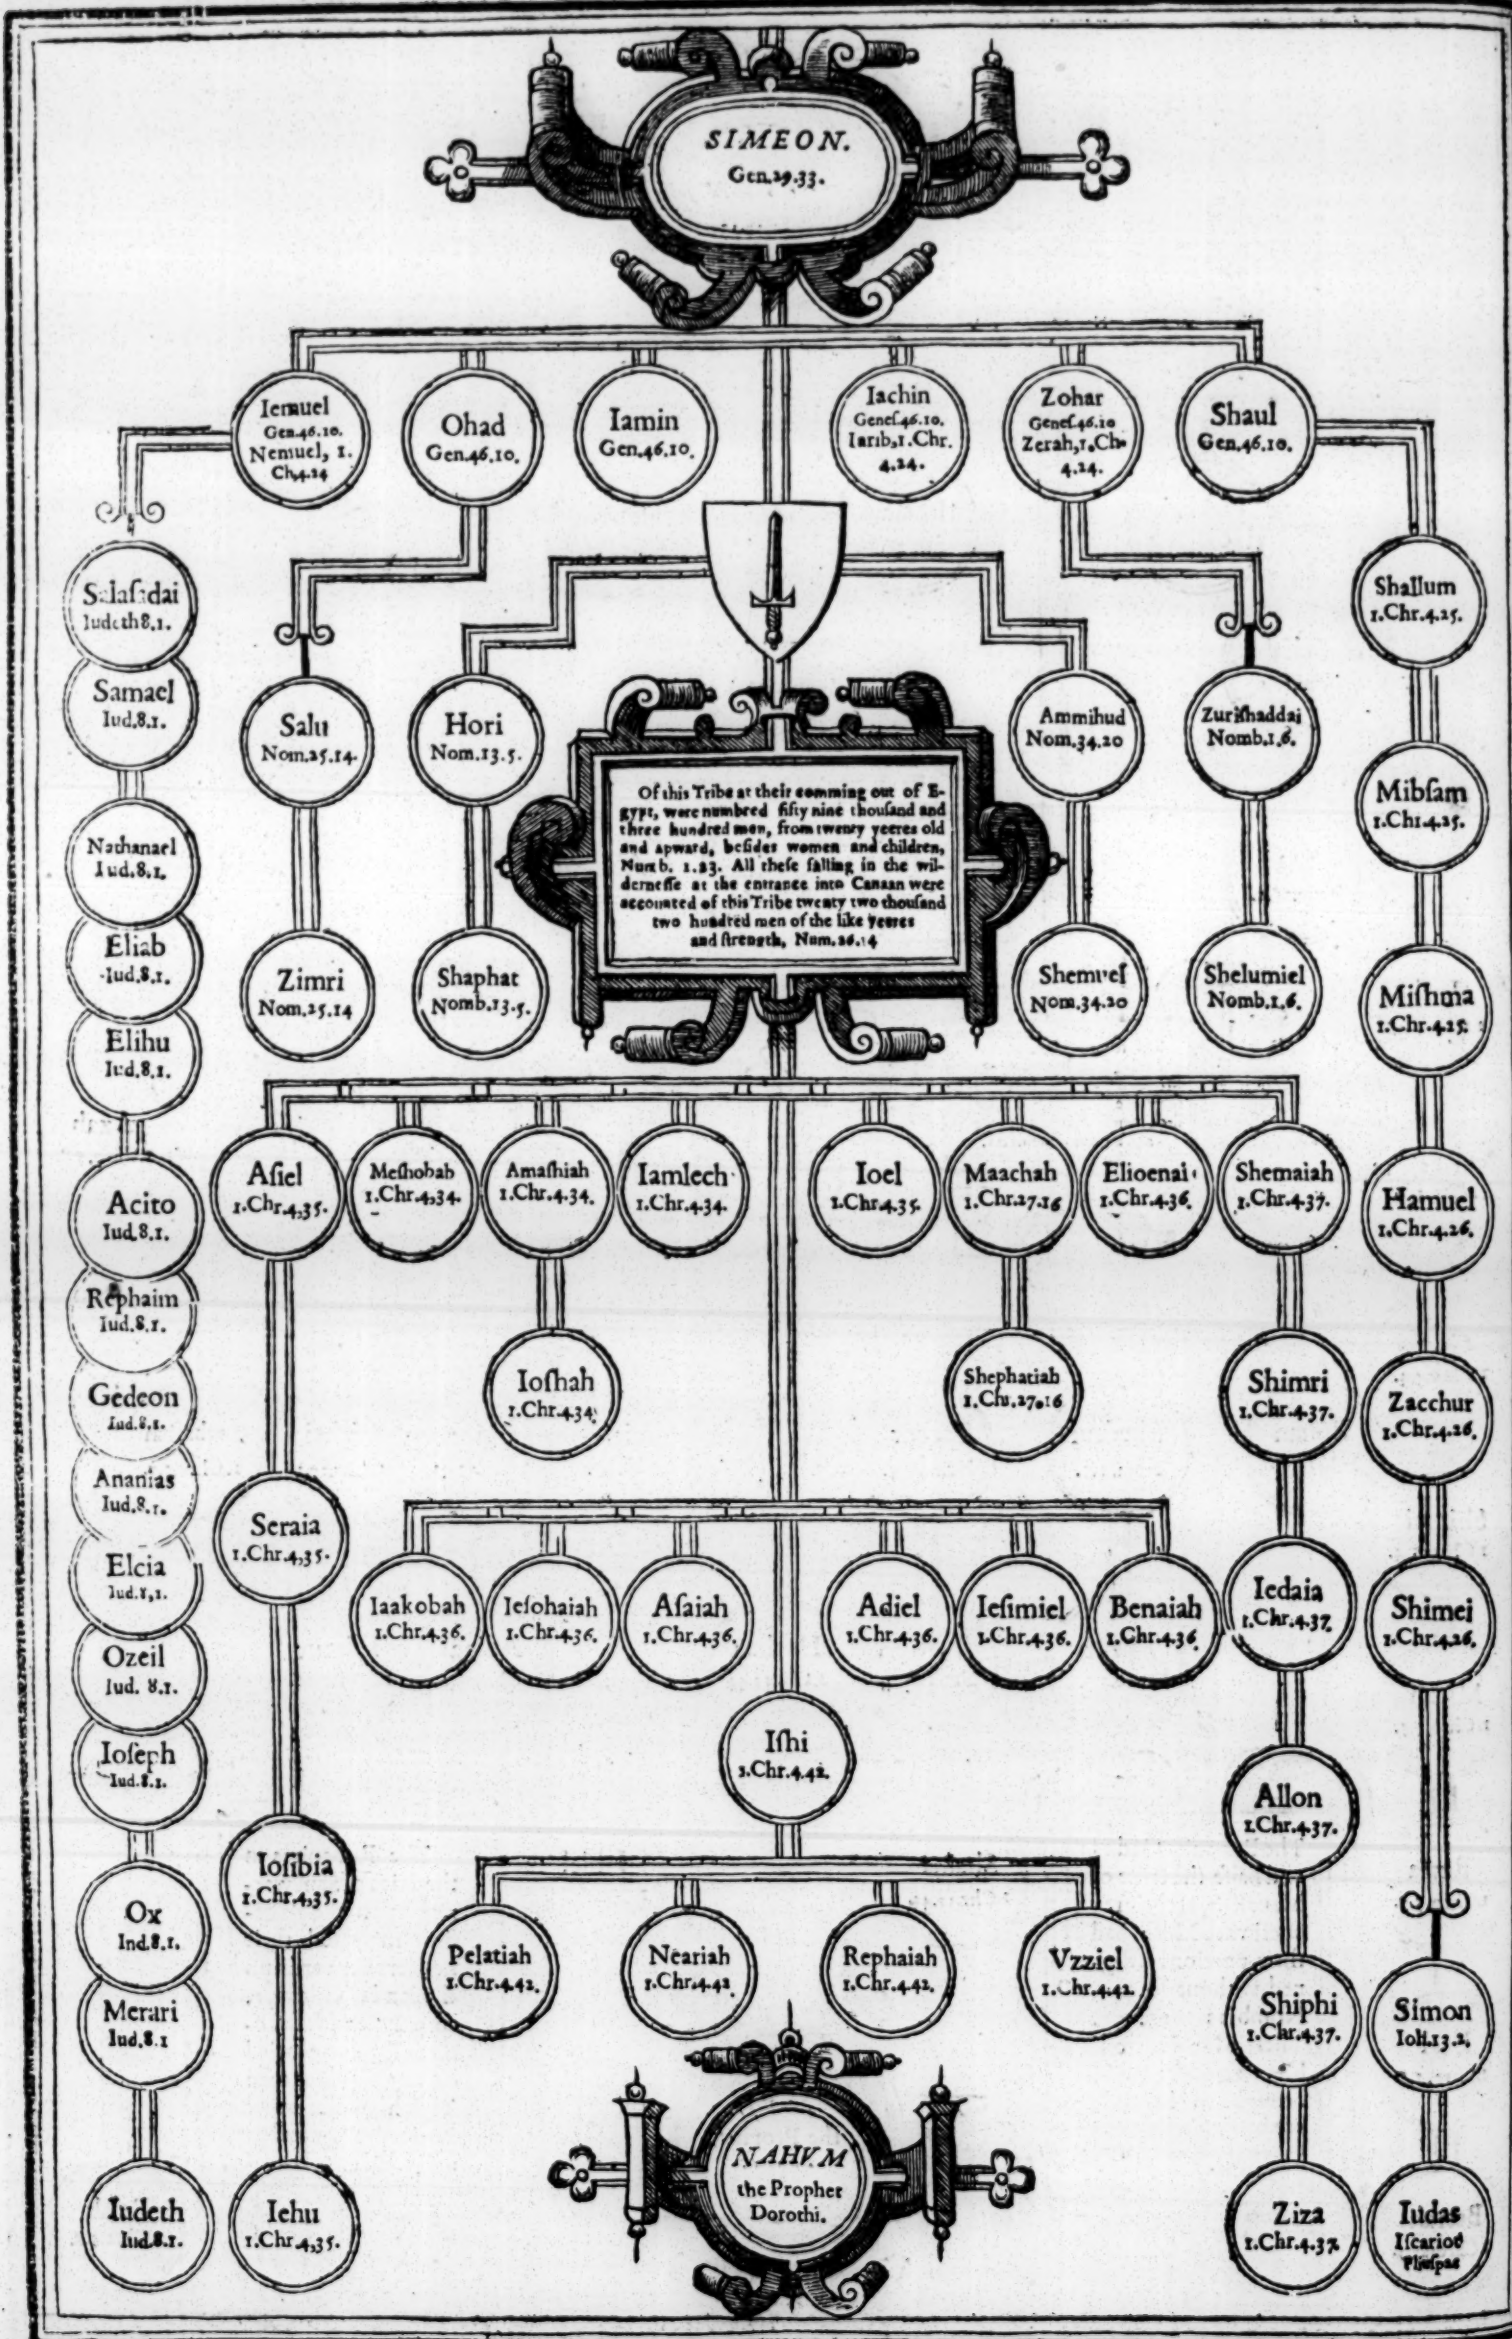

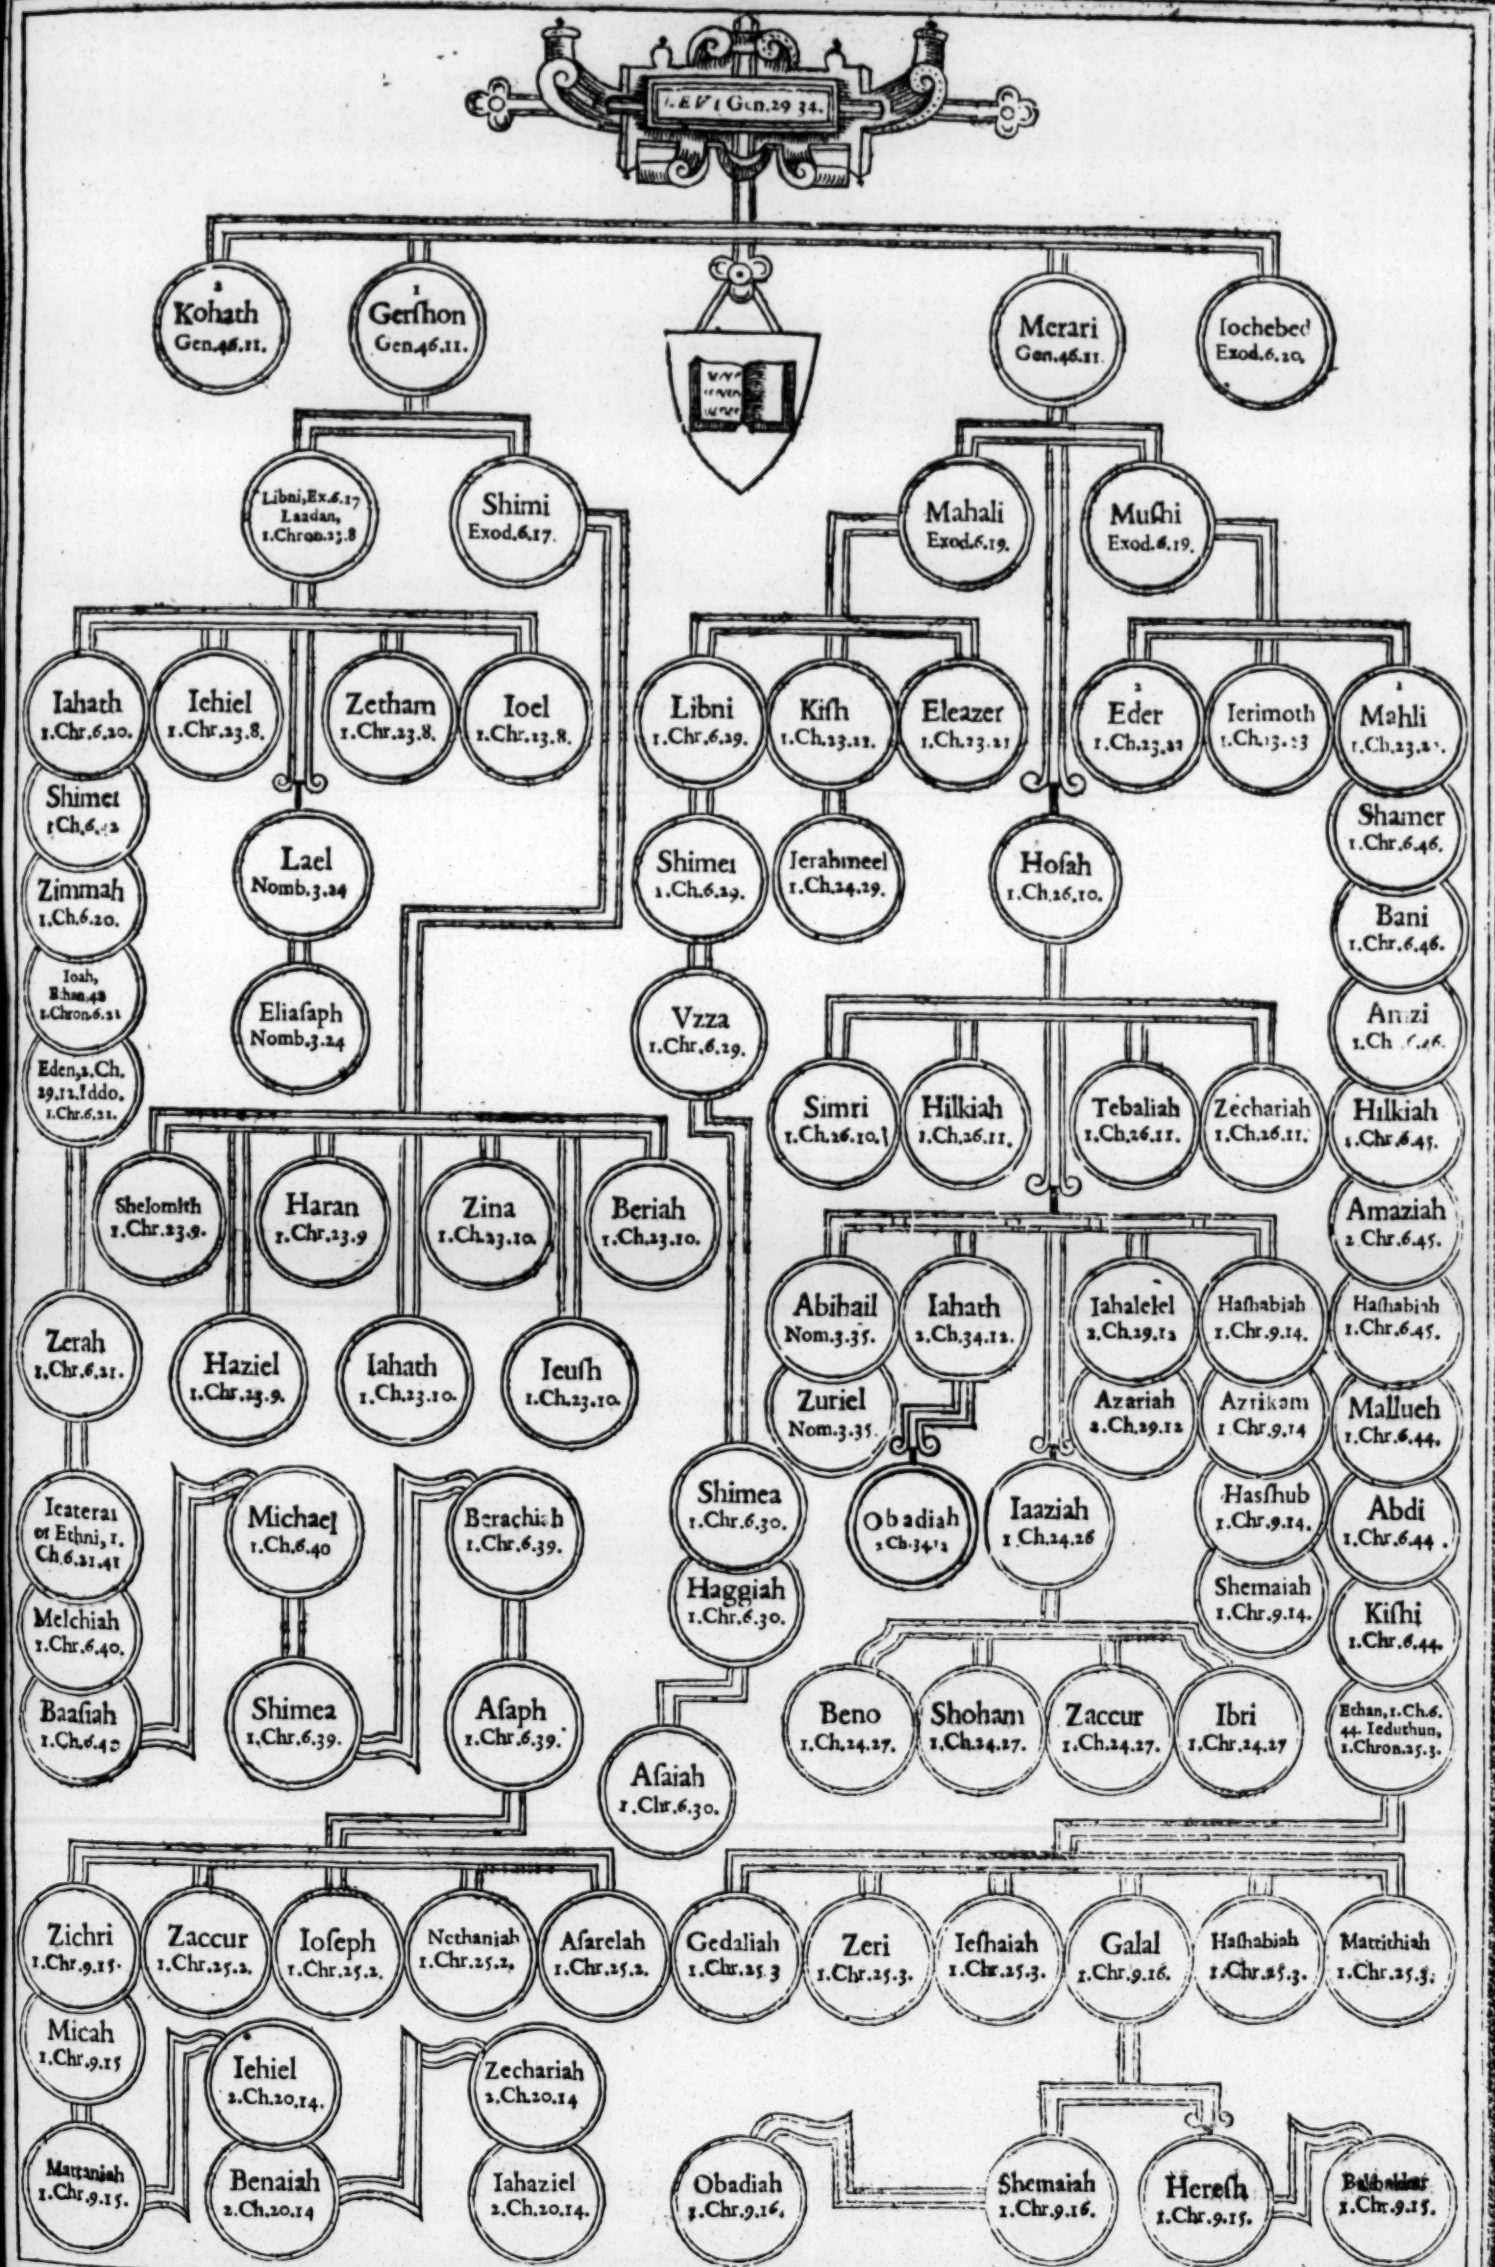

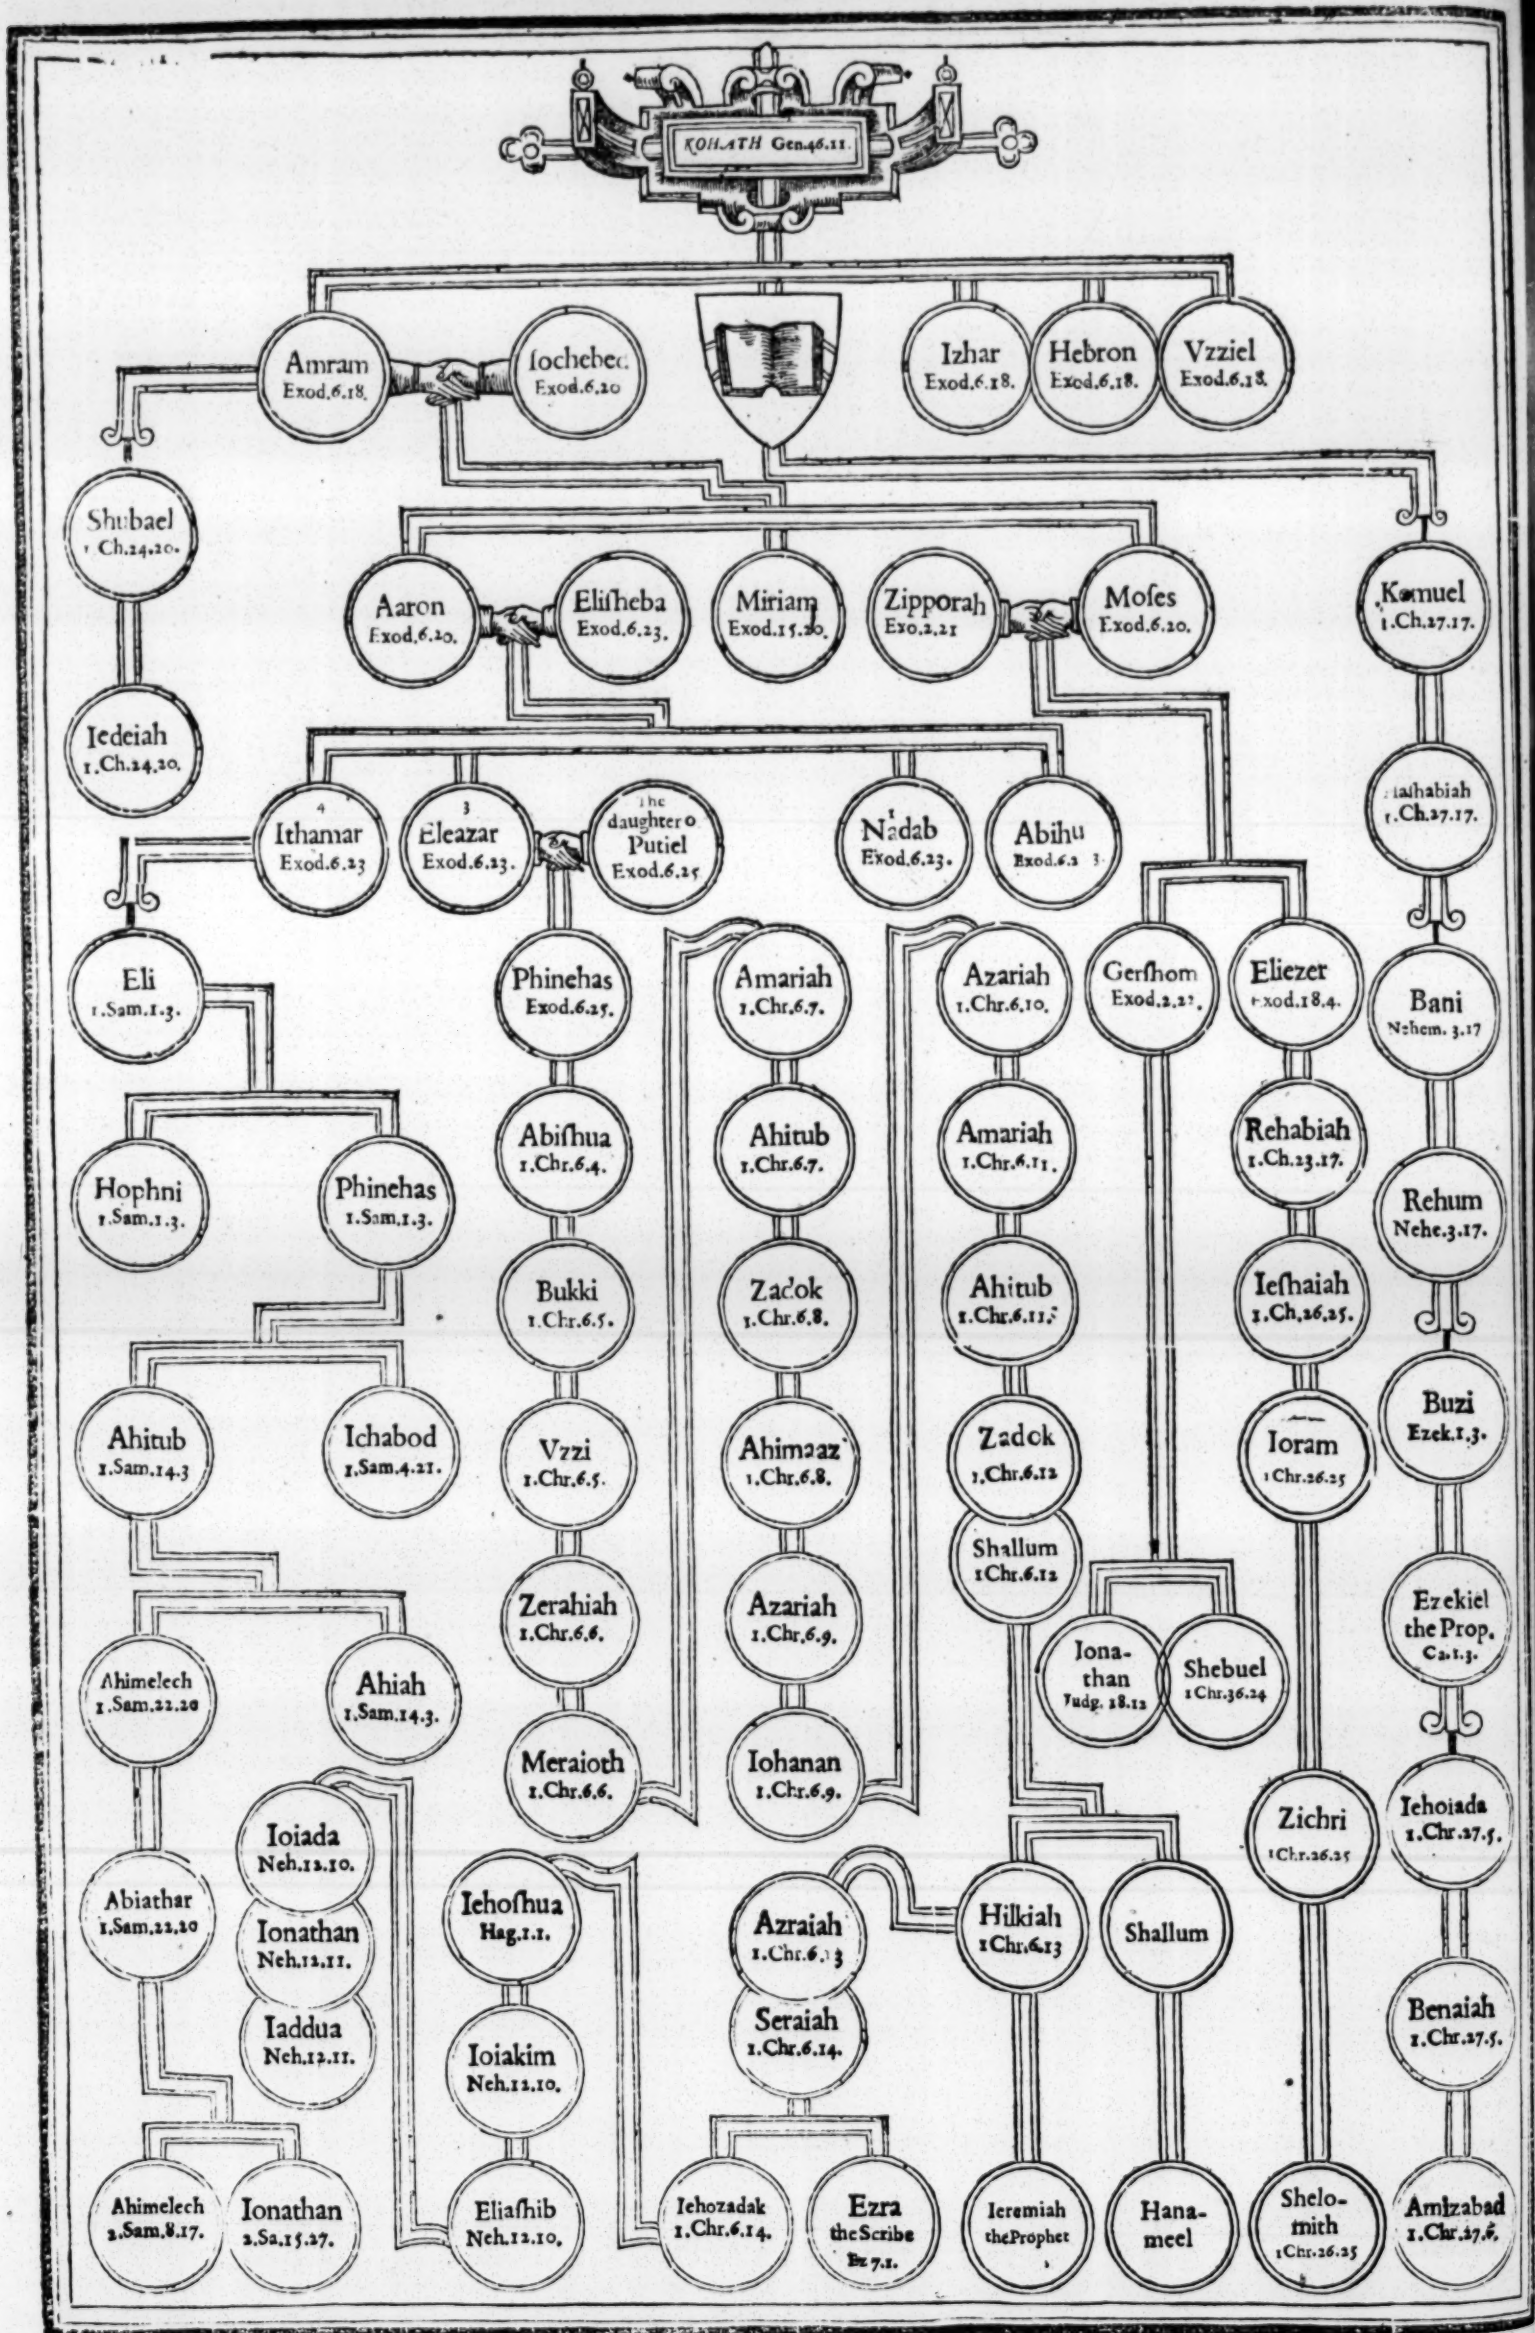

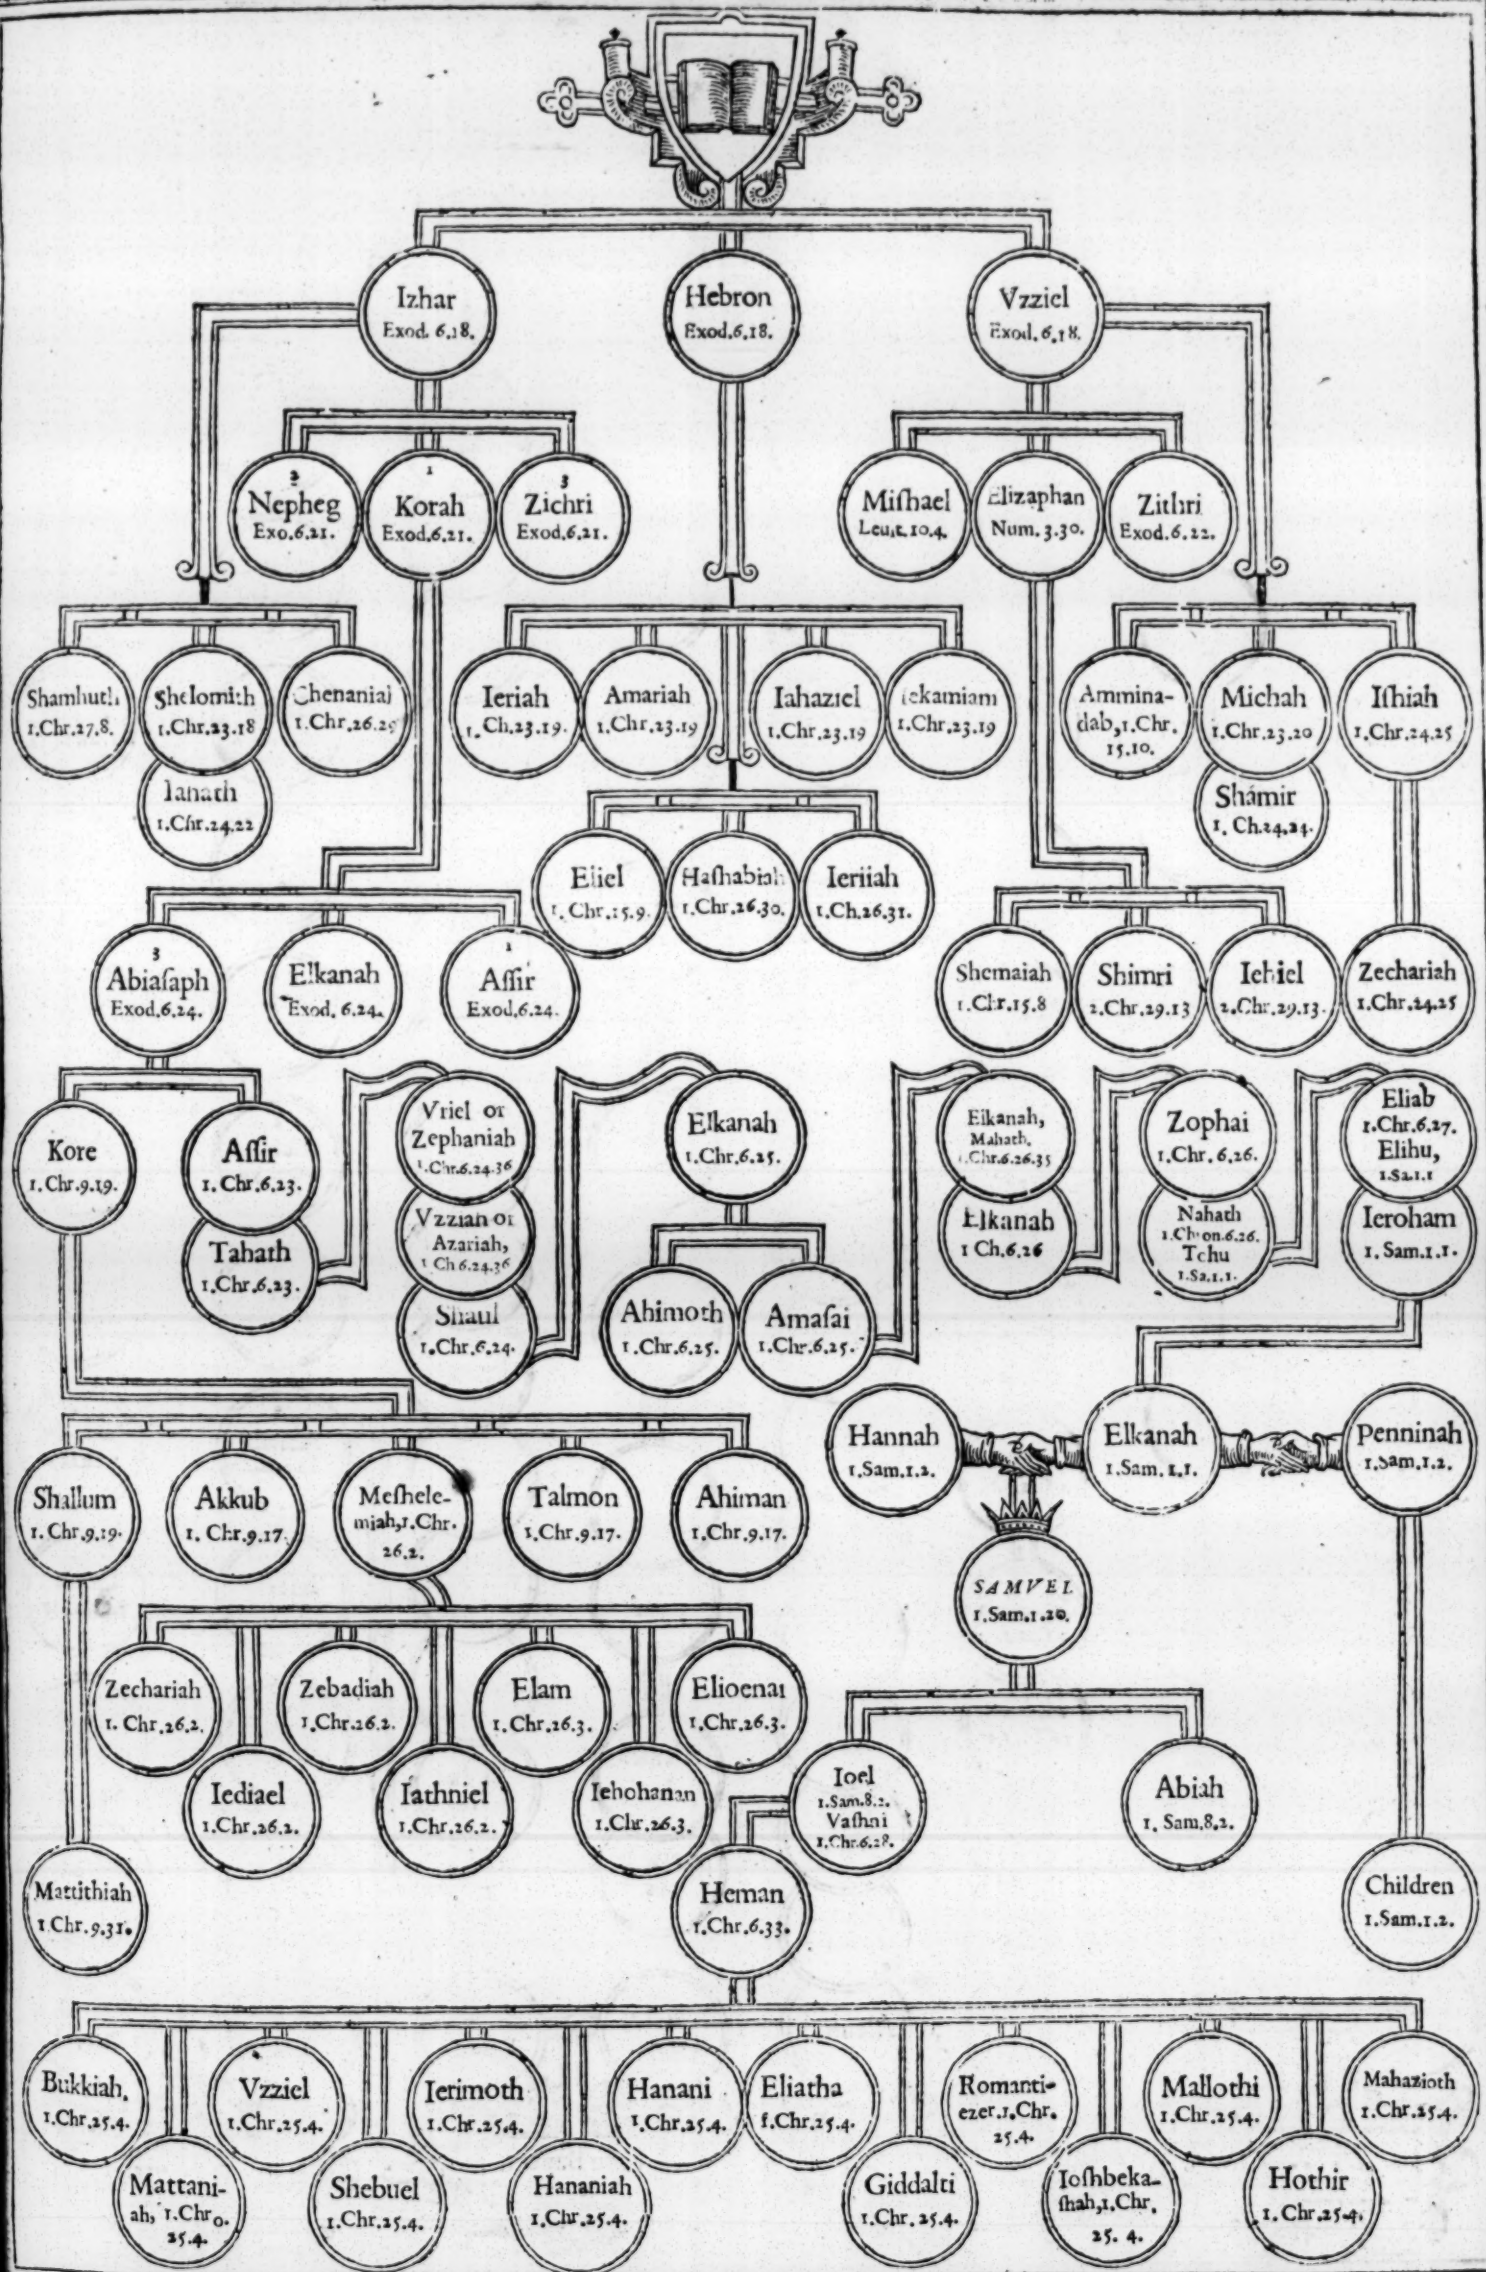

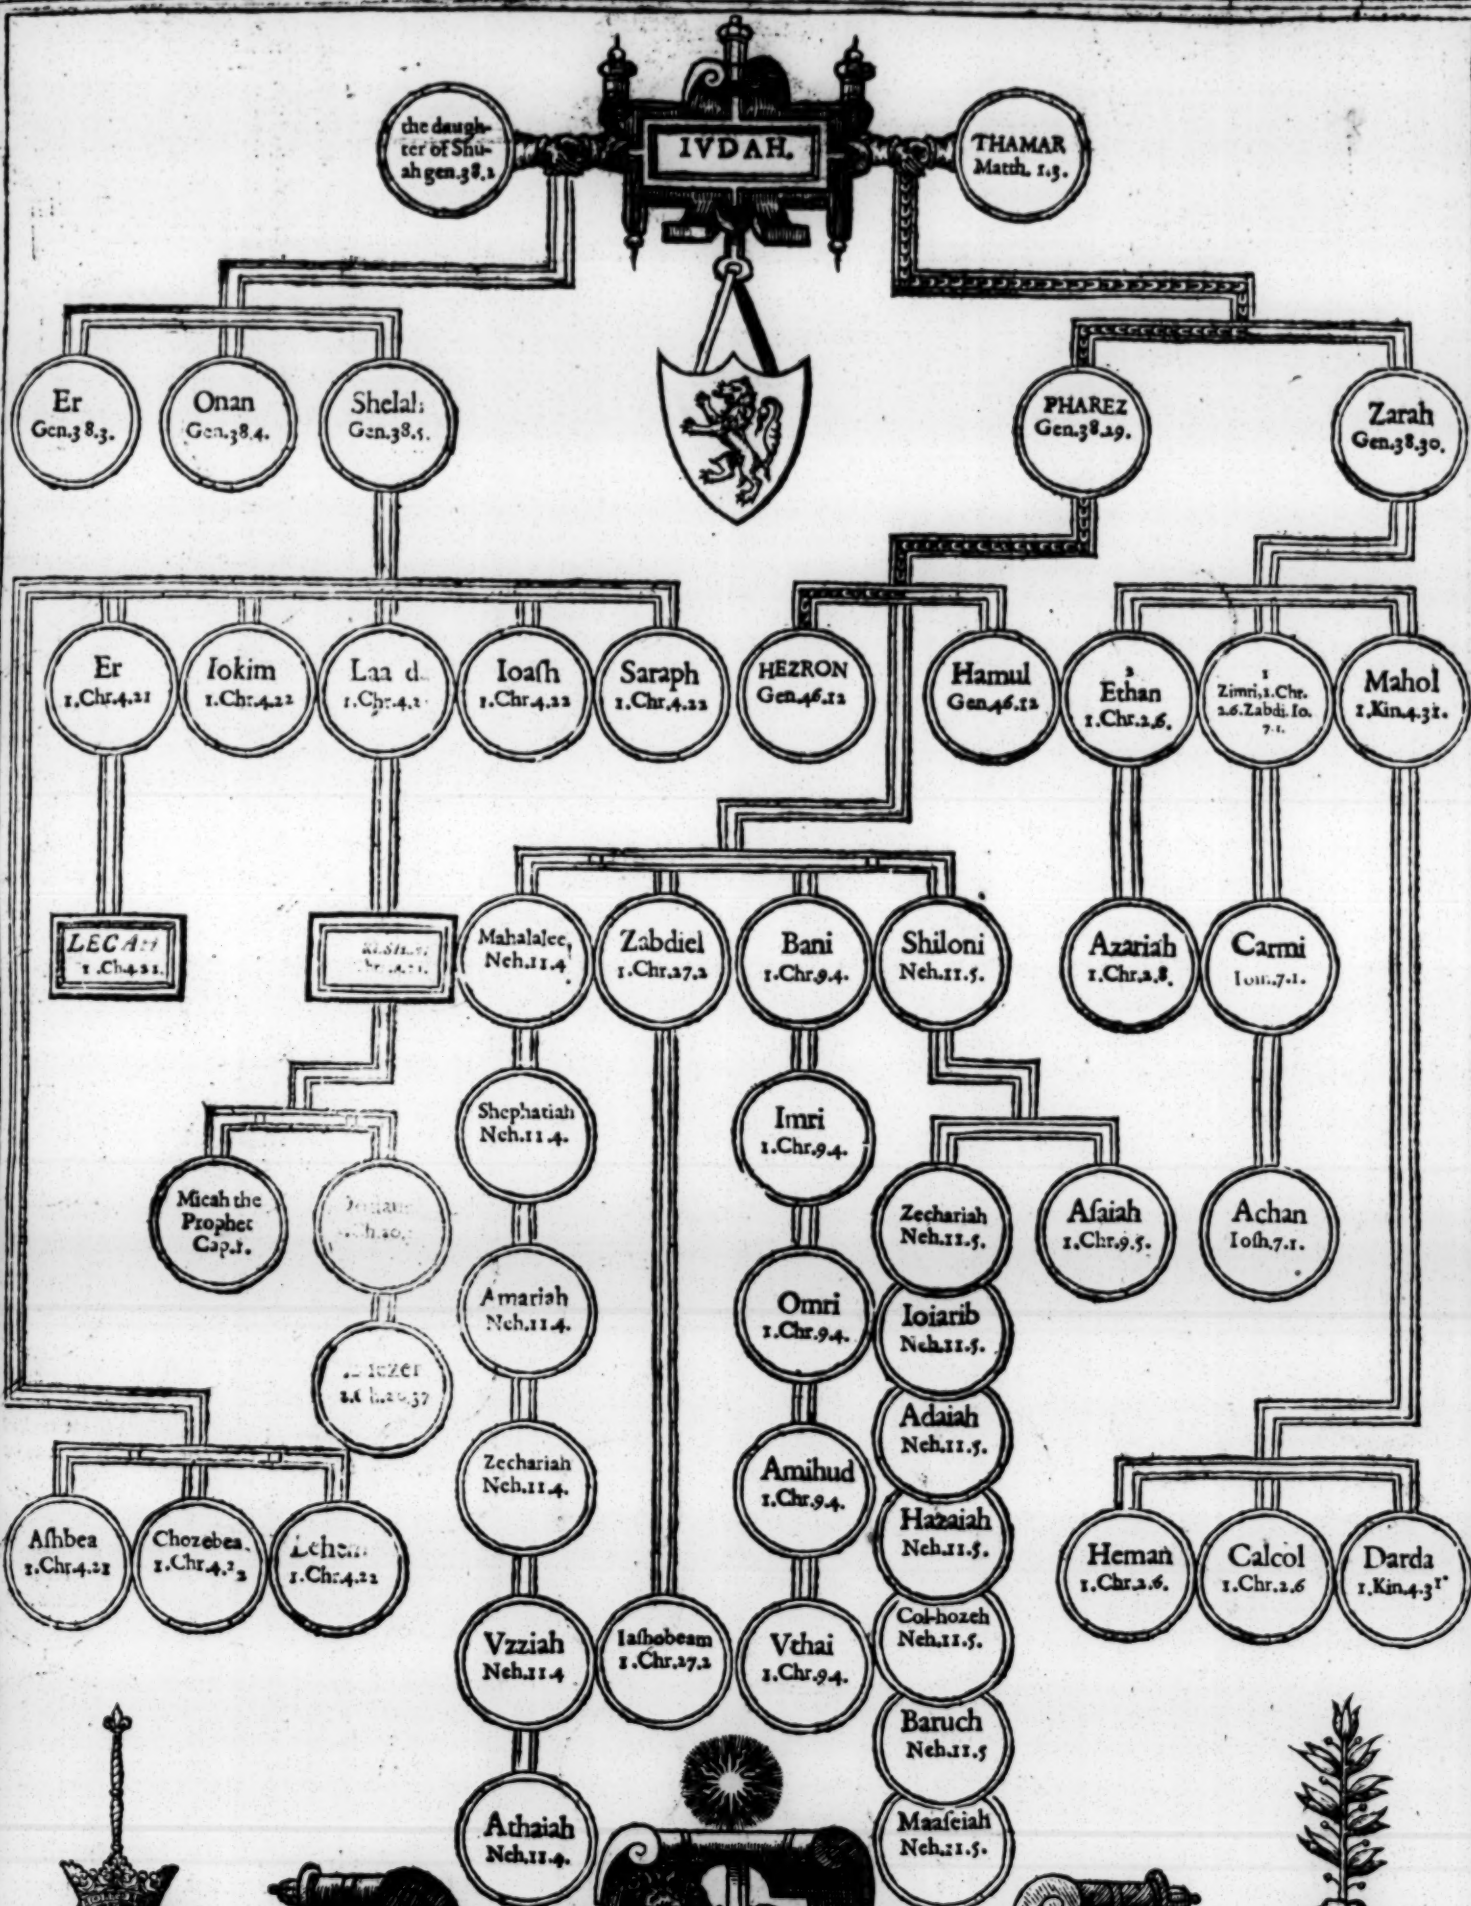

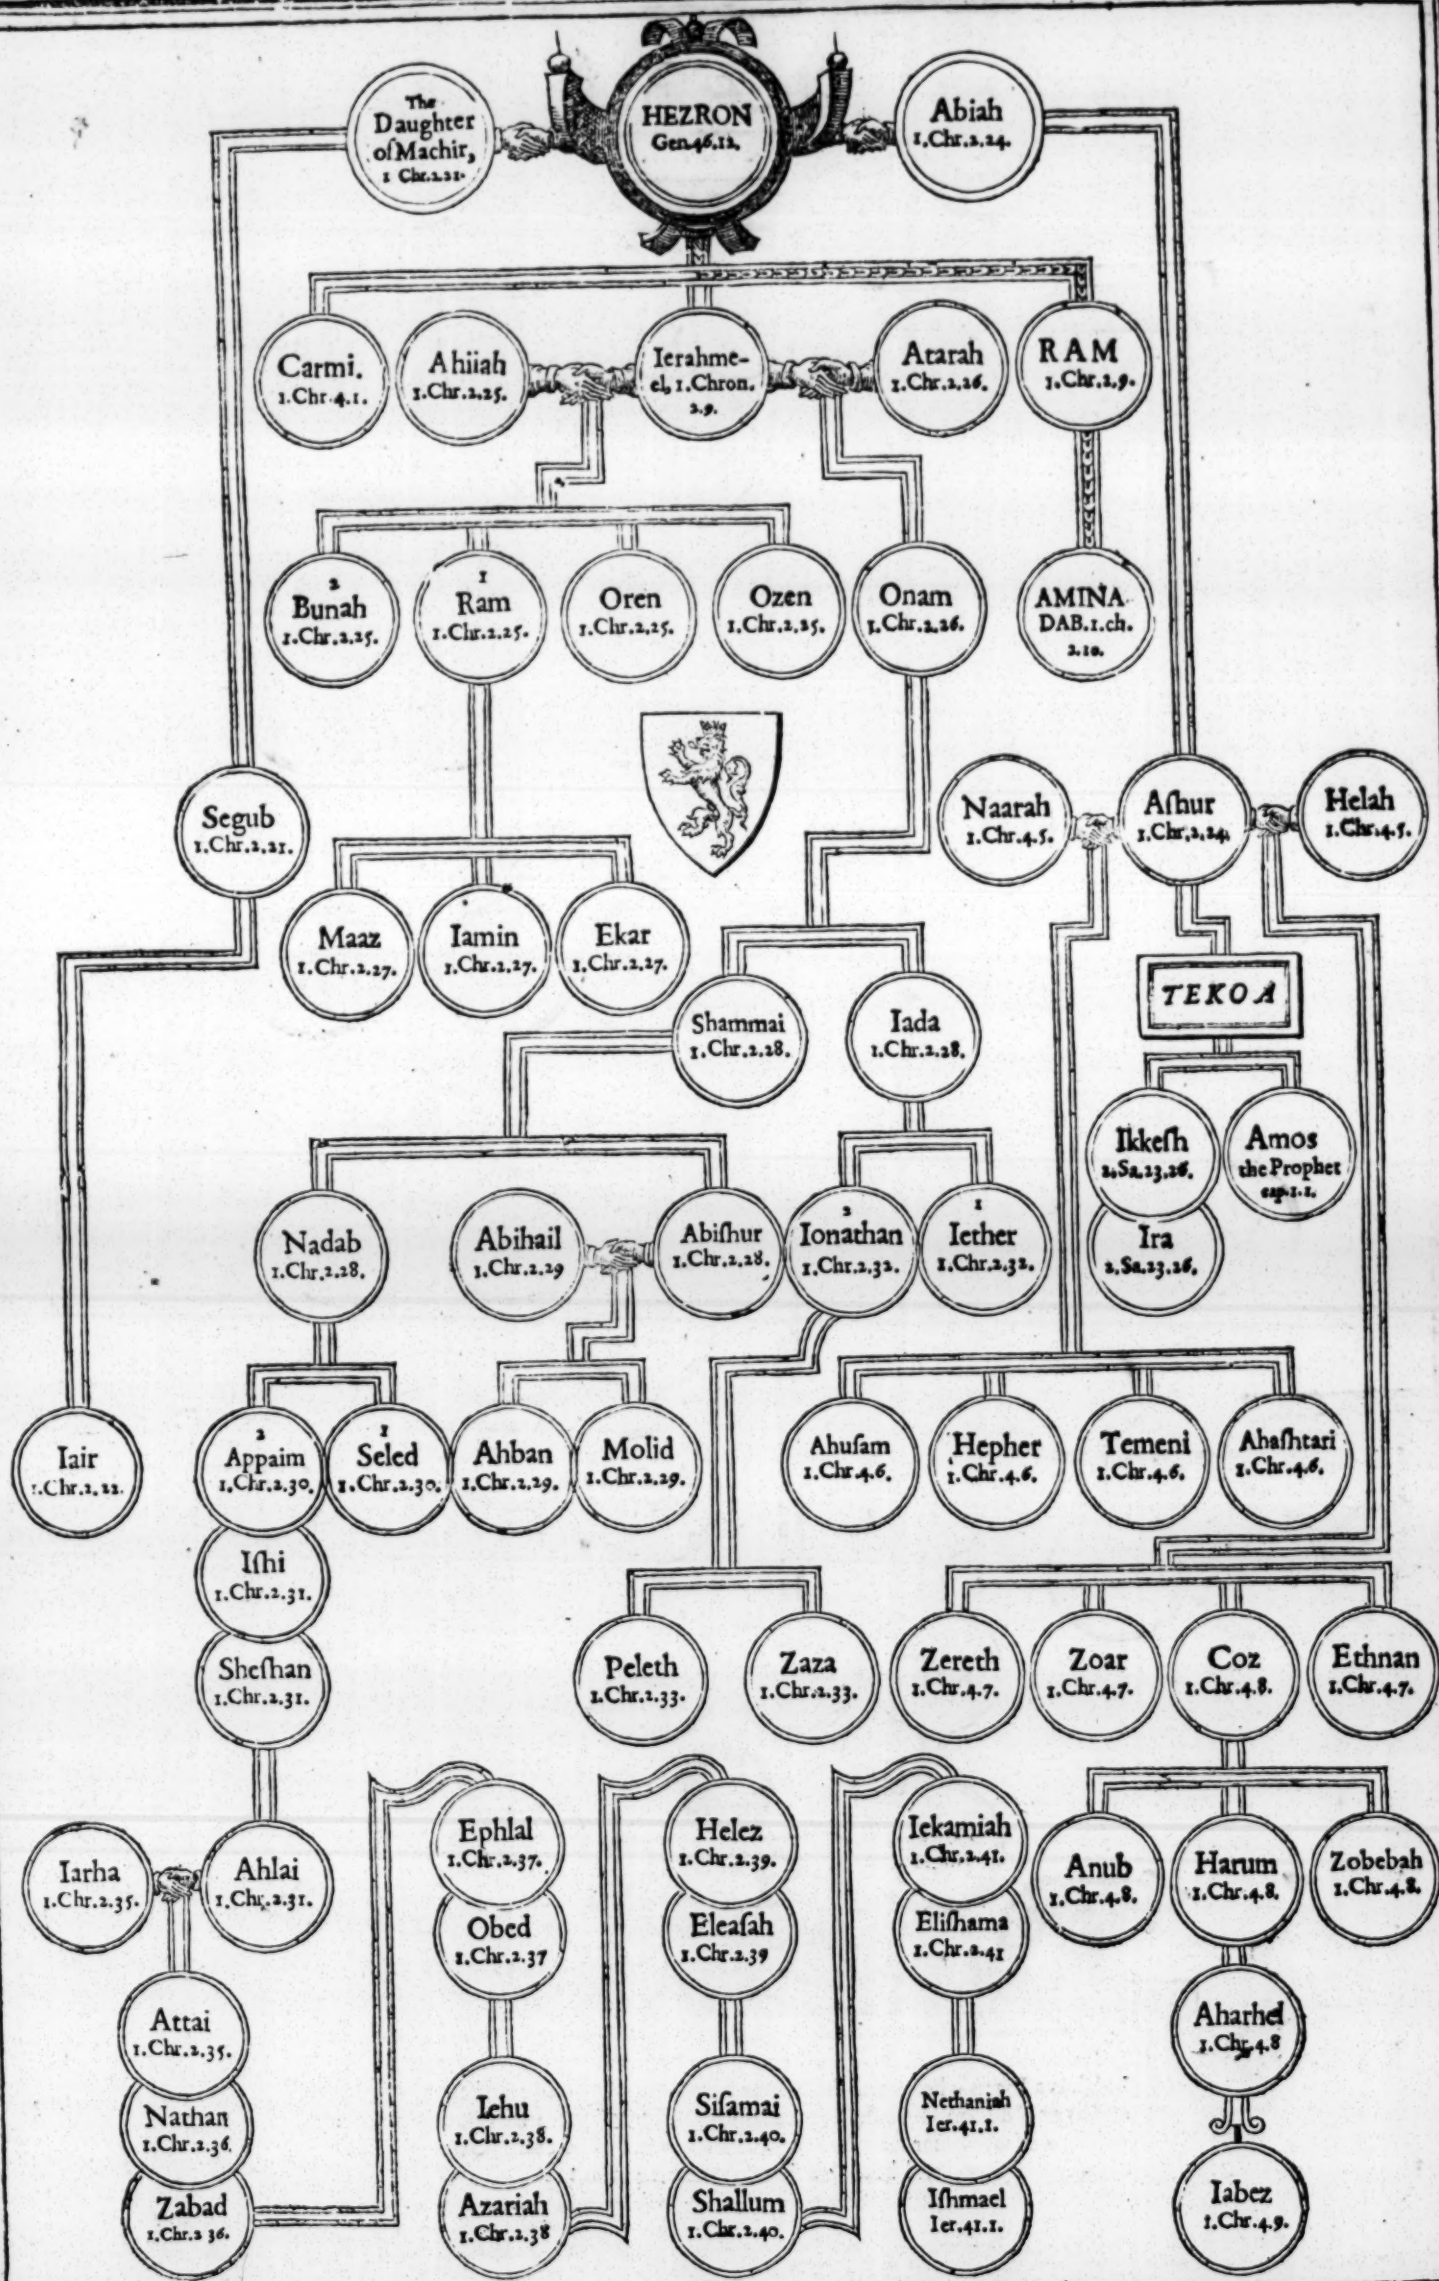

Judah, thy brethren shall praise thee: thy fathers sonnes shall bow vnto thee. Judah is a Lions whelp and shall come from the spoile, and coucheth as a Lion, and as an old Lion: who shall rouse him vp? The Scepter shall not depart from Judah, nor a law-giuer from betweene his feet, vntill Shilo come. Gen. 49. who is the starre of Iacob and branch of Ishai. Nomb. 24. Isai. 11.

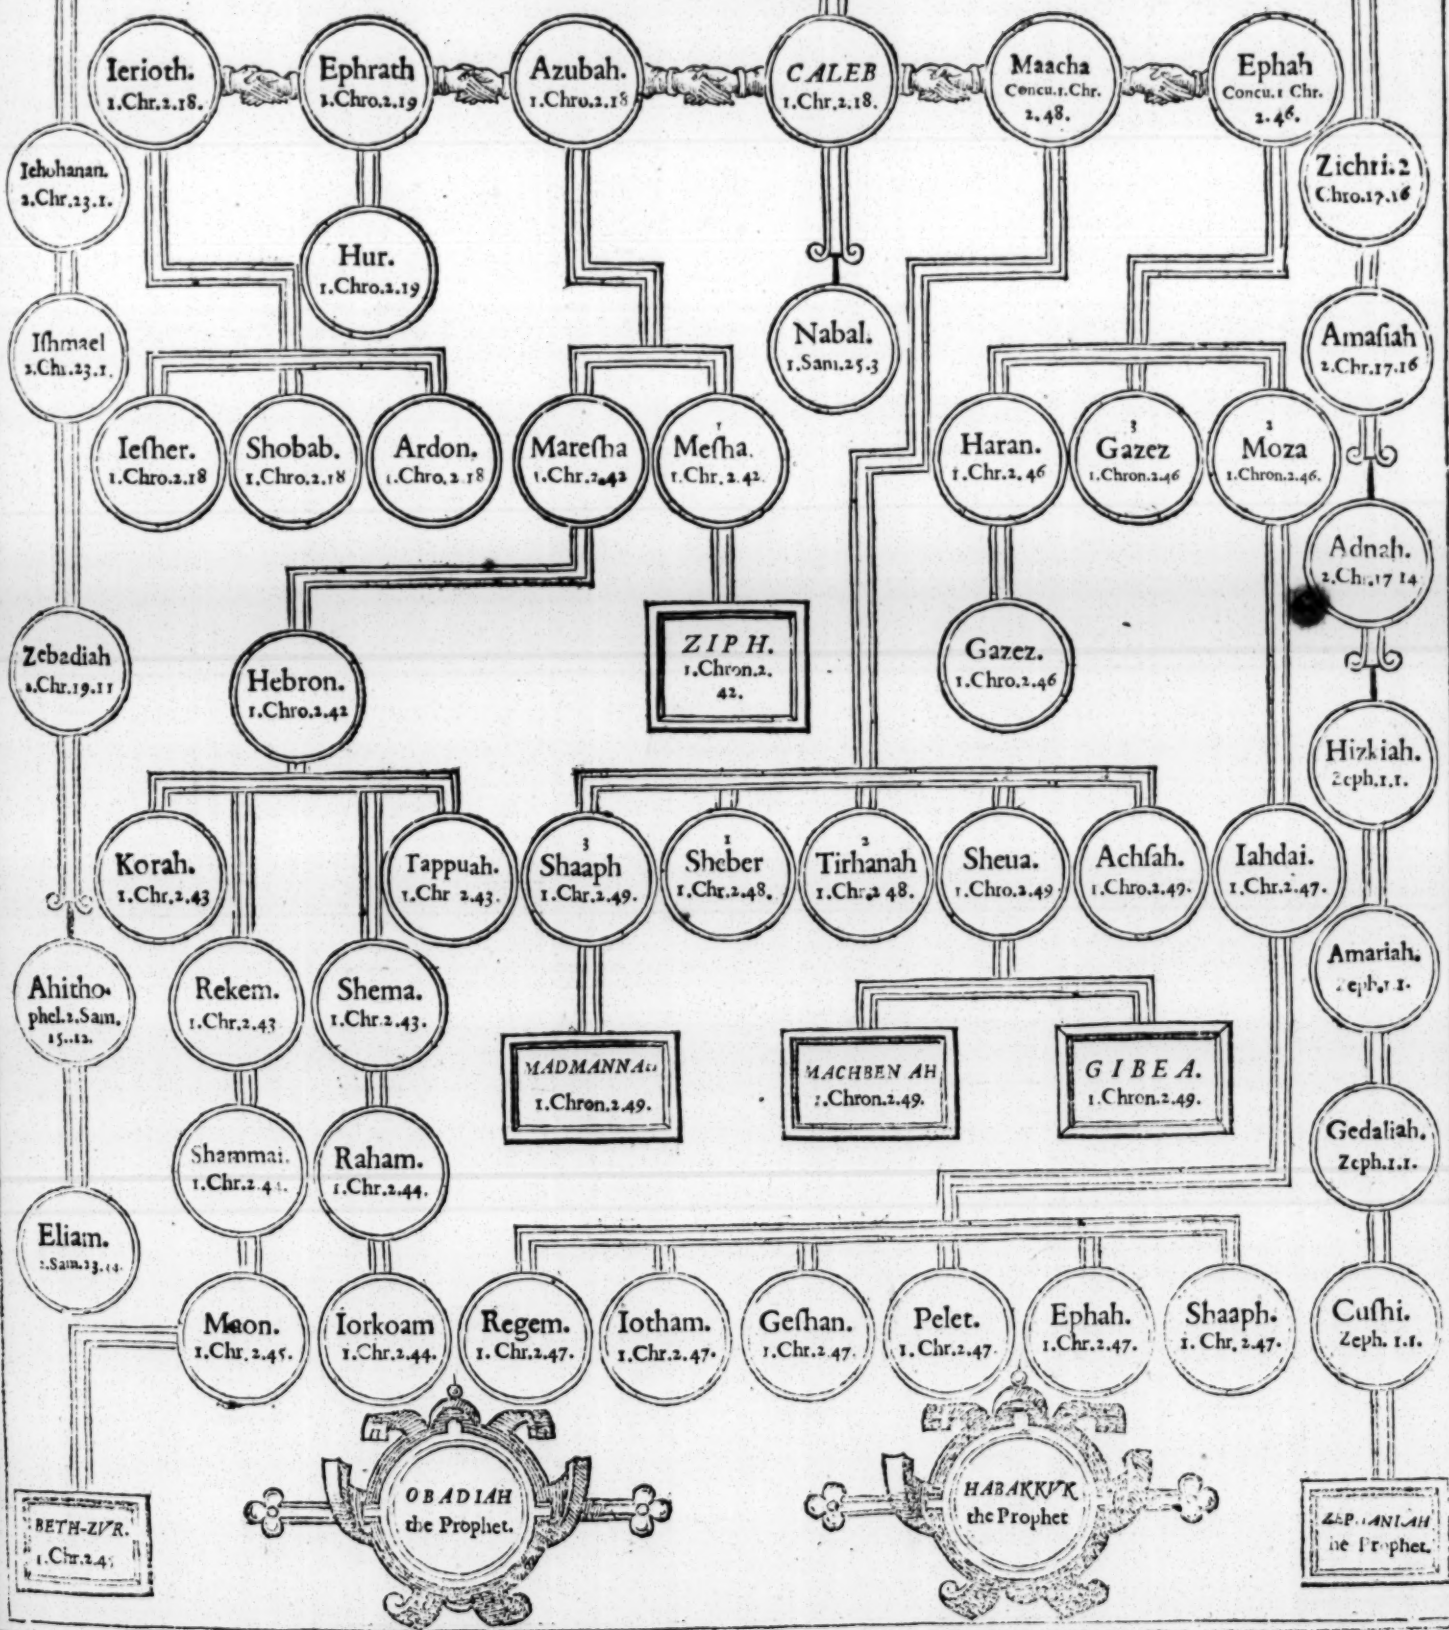

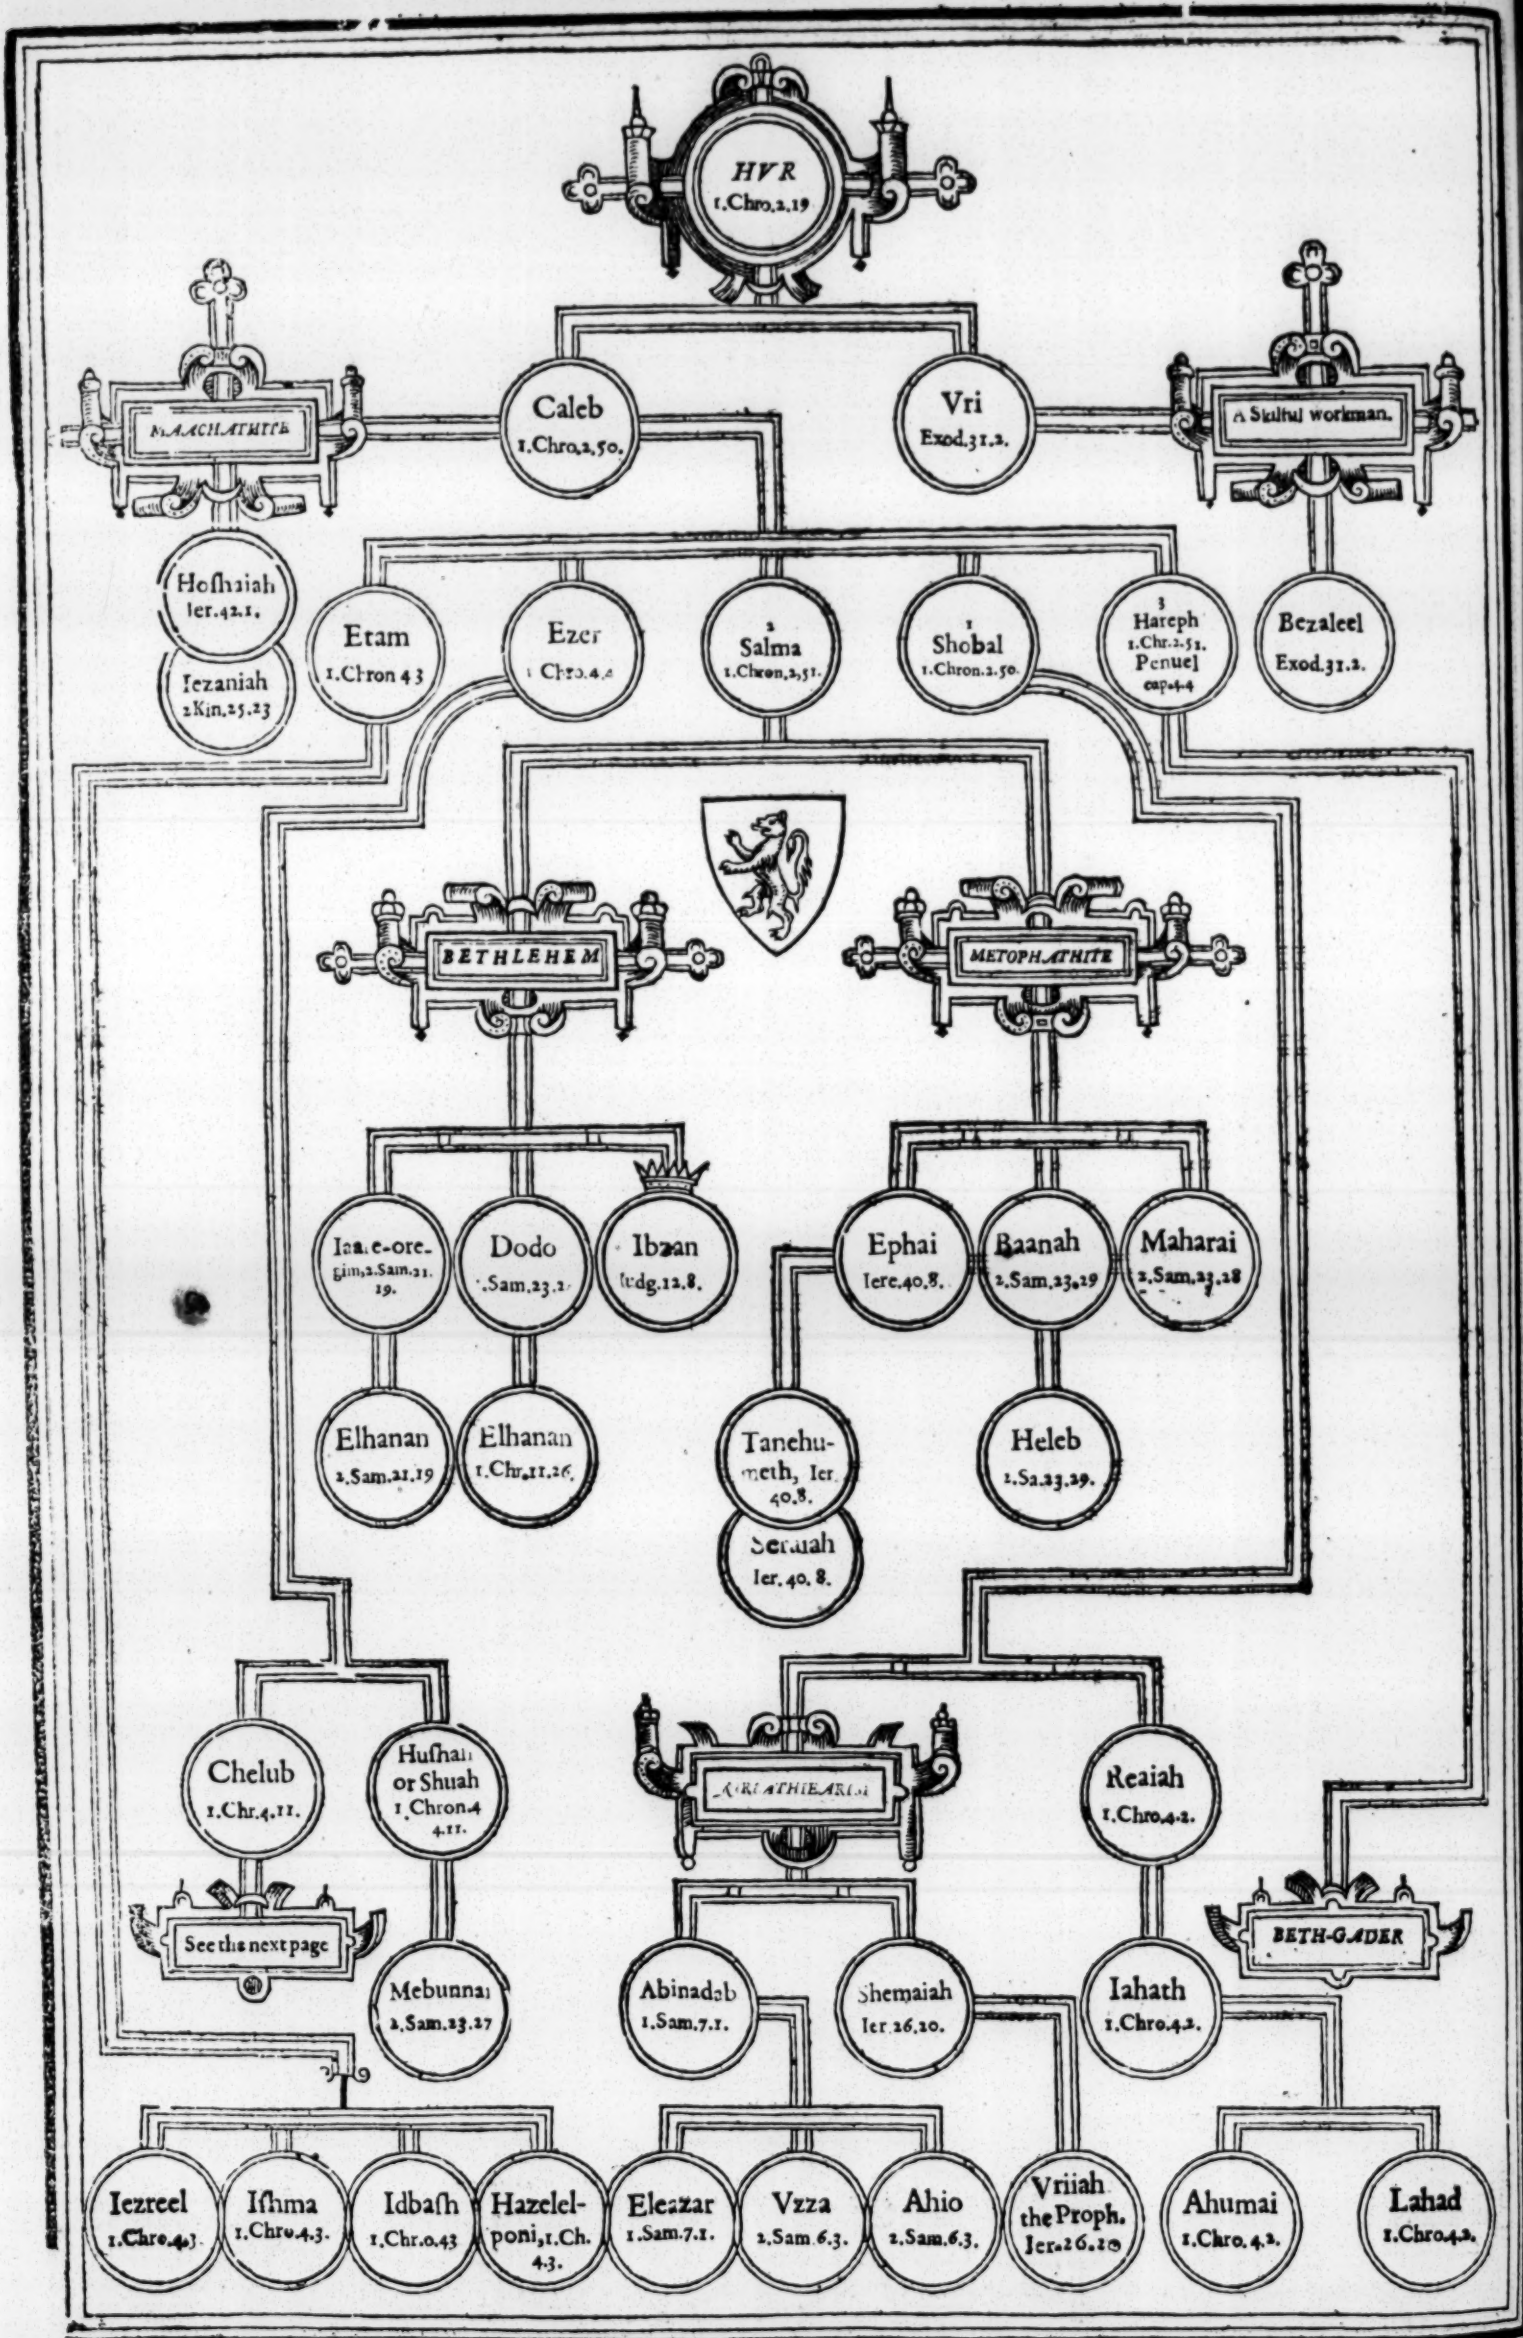

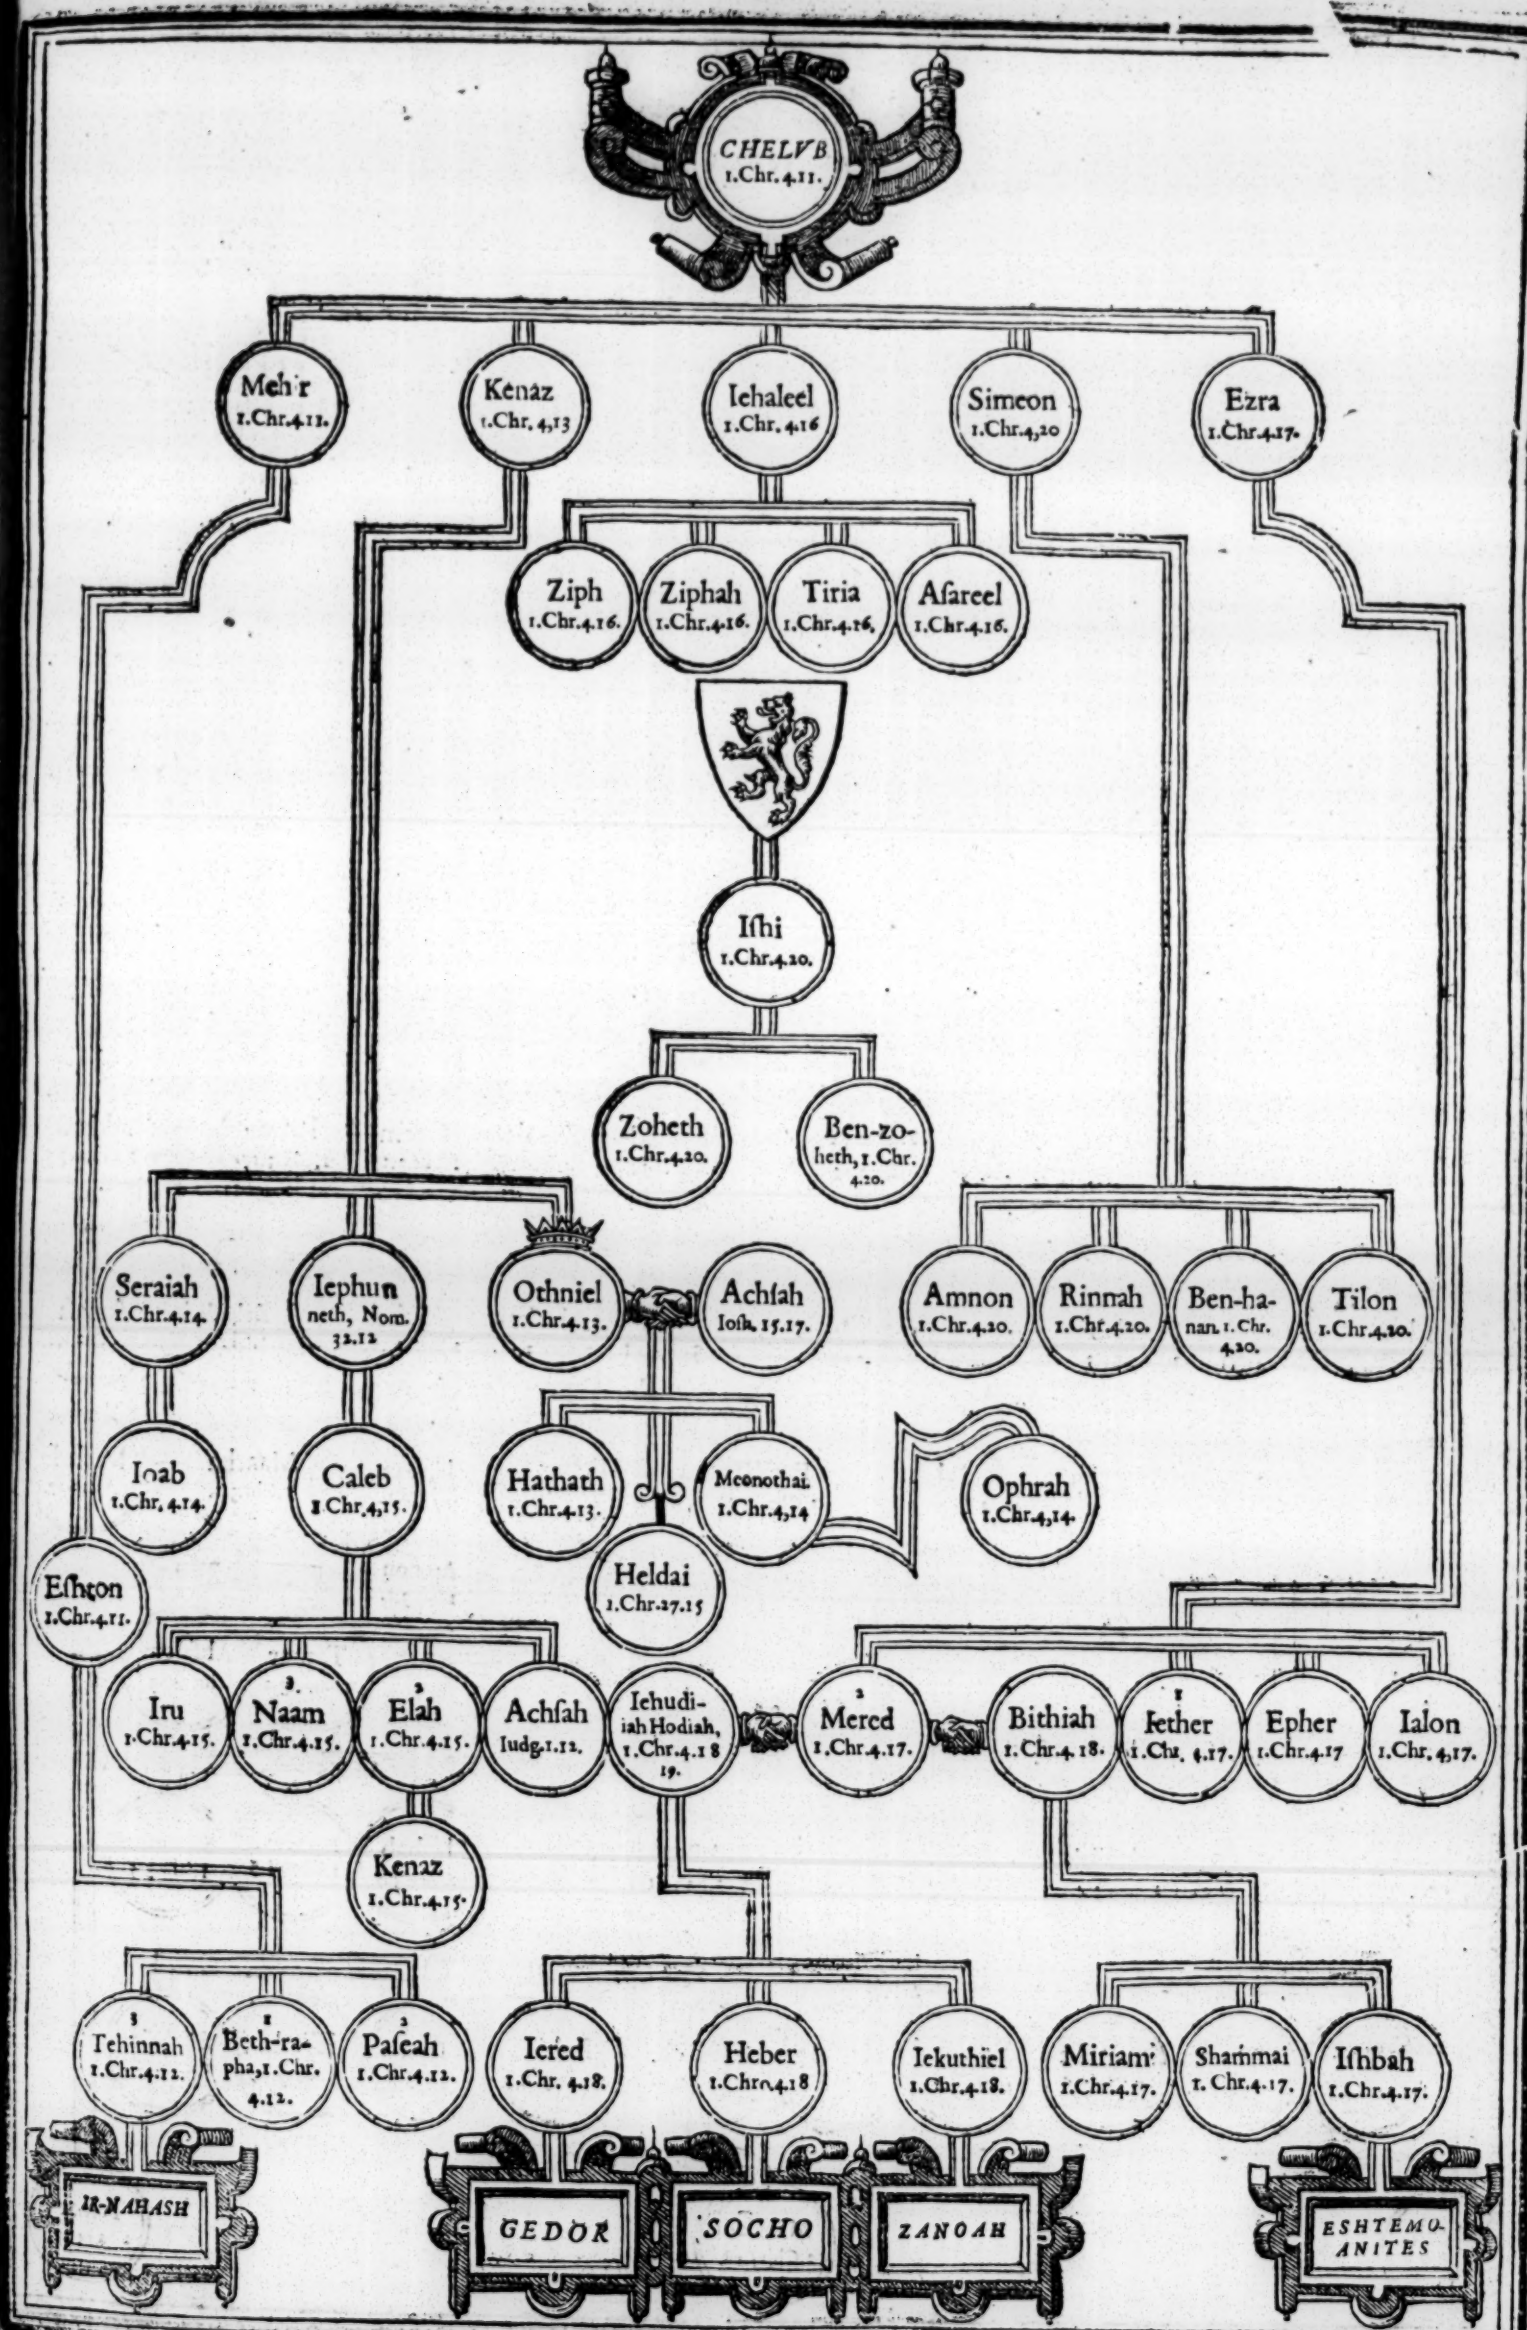

This was not Caleb that  
was sent to search the Land,  
but another of that name,  
and seven generations  
before him.

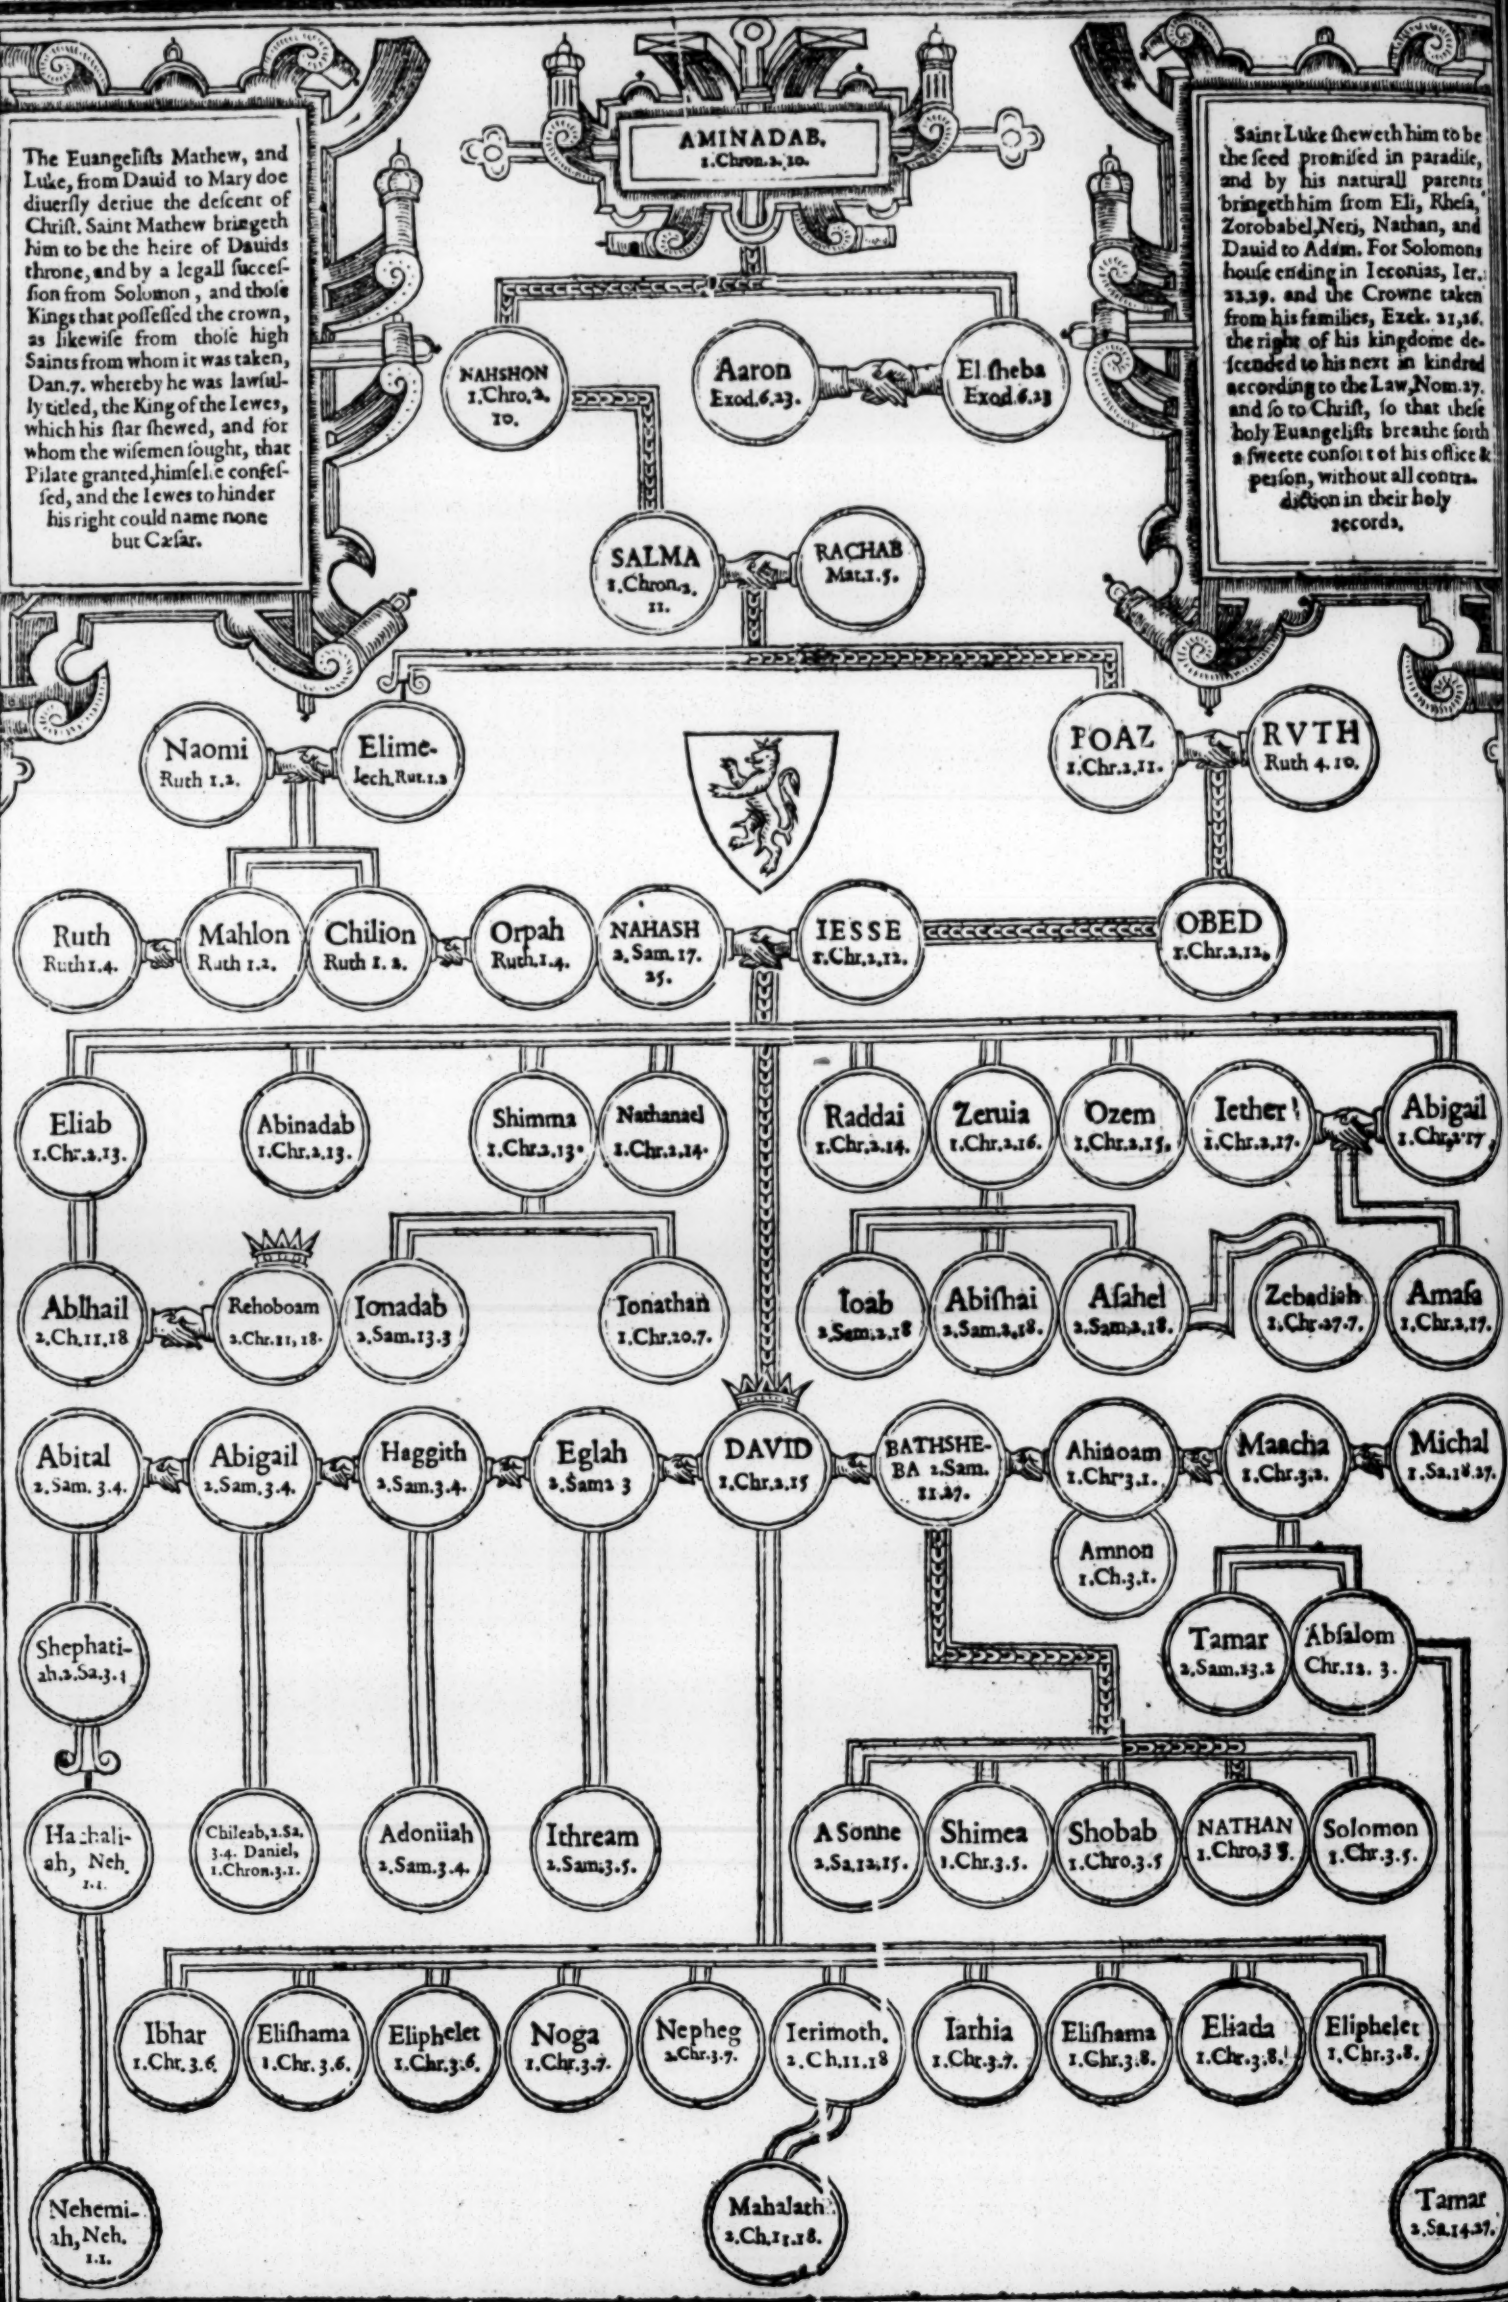

The Euangelists Mathew, and Luke, from Dauid to Mary doe diuersly deriue the descent of Christ. Saint Mathew bringeth him to be the heire of Dauids throne, and by a legall succession from Solomon, and those Kings that possessed the crown, as likewise from those high Saints from whom it was taken, Dan. 7. whereby he was lawfully titled, the King of the Iewes, which his star shewed, and for whom the wisemen sought, that Pilate granted, himselfe confessed, and the Iewes to hinder his right could name none but Cesar.

Saint Luke sheweth him to be the seed promised in paradise, and by his naturall parents bringeth him from Eli, Rhesa, Zorobabel, Neri, Nathan, and Dauid to Adam. For Solomons house ending in Ieronias, Ier. 22. 30. and the Crowne taken from his families, Ezek. 1. 16. the right of his kingdome descended to his next in kindred according to the Law, Num. 27. and so to Christ, so that these holy Euangelists breathe forth a sweete consort of his office & person, without all contradiction in their holy records.
